Chunking the Information

Issuing the scaffolds above increases comprehension and problem-solving skills.

Campus Deadlines: White updated the committee regarding teacher end-of-the-year expectations for grades, and grade placement for students (Certificates for students)

Campus Glows: Ms. Davis-Evans and Ms. Gary reports that teachers are receiving daily instructional coaching. Coaching and feedback regarding best instructional practices were reviewed with the committee, and the committee was able to provide feedback using coaching log (artifact). Field Day was a success for the end of the year activity.

Campus Grows: Pickron states (Assistant Office Manager) there is a need for more home visits and an action plan to support families for students that are missing 5 or greater days for truancy. Braziel needs to get with Posada (Plant Manager) for lightening and safety needs.

Grade Level Organization- White discussed planning time and grade level expectations (artifacts PLC Protocol).

Upcoming School Activities- White discussed End of the year ceremonies
