Plan Revision: March 22, 2024

What is Title I?

Callaway Elementary is identified as a Title I school as part of the Every Student Succeeds Act 2015 (ESSA). Title I is designed to support state and local school reform efforts to help challenge state academic standards to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental engagement. All Title I schools must jointly develop with all written Parent and Family Engagement. Callaway Elementary held meetings and involved all parents, students, and teachers in the Fall of 2023 and Spring 2024 to acquire their input. However, a copy of the parent and family engagement input form was distributed to all students to take home to their parents. Parents were notified via school messenger, monthly parent and family engagement calendar, class dojo, and the school marquee. Parents were asked to provide input on the parent and family engagement plan. All teachers signed acknowledging that they received and sent home the Parent and Family Engagement Plan.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Callaway Elementary will provide opportunities to improve parent engagement to support student learning. Callaway Elementary values the contributions and engagement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes different ways Callaway Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home. Callaway Elementary will engage all parents through academic parent academy workshops, local school council committees, and parent and family engagement committees. Parents of Callaway Elementary are asked to provide suggestions throughout the year in the Parent and Family Engagement Center located in Room 418.

How is it revised?

Callaway Elementary School invites all parents to attend 2 parent and family engagement plan meetings during the Fall 2023 and in the Spring 2024 to review and revise the parent and family engagement plan as well as the school-wide plan, our school-parent compact and the family engagement 1% budget. Additionally, parent input and comments regarding this plan were welcomed during the school year and a paper copy was available in the front office. All parent feedback received during the year will be used to revise the plan for the next school year. We distributed an annual survey online, also by paper, QR code, and email, and asked parents for their suggestions on the plan and the use of funds for parent and family engagement. Some surveys were completed online via home internet access, in the parent resource room, smartphones, or the paper copy sent home. Parents can also give feedback during parent meetings and activities during the school year including our annual Title I meeting, parent-teacher conferences, curriculum night, and all other meetings/trainings held. This year's revisions will be done by Google Forms, virtual/face-to-face meetings and surveys.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Callaway Elementary will provide opportunities for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is included on our school website, in the parent and Family Engagement center, and front office. A revised copy will be made available on ClassDojo, and the school website. All parents will have a paper copy sent home by students.
