

September 2025

FM DAY NEWSLETTER

The 411

What is PAC?

PAC is our Parent Advisory Committee. We meet monthly on the third Wednesday of the month. Our meetings are a hybrid, offered both in person and on Zoom from 4-5 pm. During PAC, parents may bring questions, comments, concerns, or suggestions. During these meetings, we will also discuss building-wide initiatives such as changes to the handbook, tuition rates, special events, and more.

Finally, we will offer some parent information on topics like child behavior, preparing for Kindergarten, nutrition, and more.

If you have any questions or suggestions, please reach out to Ilana or the office.

Solar Project

In the coming months, FM Day will have solar panels installed on a portion of the field on the west side of the building. This exciting initiative is part of a district-wide initiative to improve sustainability. The hope is that this project will provide enough energy to run the school!

Taking Precautions

With the recent resurgence of measles, the Colorado Department of Public Health and Environment has created an exposure location website. We encourage all families to consult this resource regularly to see if they may have been exposed.

Reminders

Parking- staff have been asked to park in the spots closest to the street and keep the spots closest to the school open. This will help reduce the need to cross the street and help ensure student safety. Please note that you are still able to park in any identified parking spot. Please do not park in a handicap space unless you have the appropriate placard to do so, and do not park in the adjacent fire zone to ensure the safety of our students and community members.

Upcoming Events

9/1 - No School, Labor Day
9/5 - No School, Non-contact Day
9/17 - PAC Meeting 4-5 (Click for Zoom Link)
9/22 - Picture Day

Parent-Teacher Conferences will be on October 3rd during early release, and April 3rd during the evening of a non-contact day.
