Class of 2026!

Communication to Parents:

We would appreciate it if you could post digital flyer on the website with the information how the students are getting the appointment codes. We have been experiencing an unfortunate decline in the reliability of the mail being delivered on time. We would appreciate your help communicating this information to the rising seniors via your website, parent groups, messaging system or any other app you might use to communicate to parents effectively.

Appointments:

Attached to this email you will find a spreadsheet with all the appointment codes for the students. Please only share codes on an individual basis.

Every student is assigned an appointment code. Students will receive their appointment code on a postcard via USPS mail. They will also receive emails if their email address was included in the data file provided to us. Students can also go to schedule.prestigeportraits.com to retrieve their code, schedule their session & pay the sitting fee. Please encourage students to sign up early. Students can use code NKJ8 to get \$5 off their sitting fee.

Sitting fee is required before or on the day of the photography.

New students can call Customer Success Team 1-800-736-4753 or go to prestigeportraits.com, click help & chat with an agent to get an appointment code.

What to bring to the appointment:

Bring a strapless tank top for the drape picture or a clean white T-shirt for the tux picture. Bring casual outfits of your choice. If you have school dress code requirements that need to be followed, please make sure students are aware of any limitations.
