

# Serving **BREAKFAST!**

**The Nutrition Group, your school food service provider, serves breakfast daily.**

**School breakfast is balanced and nutritious. Breakfast builds better bodies, provides fuel for school and boosts brain power.**

**Students who eat breakfast have higher test scores and learn more effectively.**

**View your school's breakfast menu to see what's being offered.**

**If your child is currently eligible for free or reduced meals, their eligibility status will apply.**
