Any use of facilities beyond four (4) hours will be charged an additional fee per hour.

Class A: This class shall include school organizations and such affiliated organizations as the Pascack Valley Regional High School District PFA, PFO, alumni association, district, county and state school boards associations, etc., when using school facilities for meetings, etc., to which no admission is charged and at which no fee will be taken, unless the entire net proceeds of the admission or offering are donated to a specific school purpose, or unless the admission or offering is only such as to reasonably cover the expenses incurred.

Class B: This class shall include the use of school facilities by any regional organization or individual or association or fraternal gathering or affair, the admission to which is to be by invitation or limited by membership. Organizations illustrative of those which can be included in this class are:

- | | | |
|-------------------------|-------------------------|------------------------------|
| Civic organization | Women's clubs | Athletic organizations |
| Fraternal organizations | Religious affiliations | Social service organizations |
| Boy Scouts | Local community centers | Girl Scouts |
| Alumni associations | American Legion | |

To be eligible for this classification, organizations or groups must be acting or organized on a regional basis, or on a local basis within the regional district. If, in the judgment of the Superintendent, benefit will accrue to school age youth of more than one community of the four municipalities comprising the Pascack Valley Regional High School District, the Superintendent may waive the rental fees.

Class C: This class shall include organizations such as those listed under Class B when using school facilities for performances for their own financial benefit, and profit-making organizations.

Class D: This class shall include use of school facilities by district faculty and coaches which in the judgement of the Superintendent will benefit school age children of the four municipalities comprising the Pascack Valley Regional High School District. The fee is \$50 per day.

Rates will be adjusted annually based on the percent increase to the budget. Fees will be rounded up to the nearest dollar.
