

August 12, 2025

Dear Parents and Guardians,

We are grateful that you have chosen Foundations at Bishop Snyder High School to assist in supporting your student with learning challenges. The Foundations fee is required to provide a variety of essentials integral to student support. A few of these essentials include copying, electronic mailing, black and color ink for student assignments and projects, postage, ACT and SAT application required documentation, college requests and applications to the Office of Disability Services, software purchases and updates, and supplies for testing accommodations including midterms and finals. The Foundations fee **is** added as a one-time payment to your FACTS account on October 15, 2025.

In consideration of the number and timing of expenses that face students, the following fee schedule has been established:

Freshman year	\$125.00 Software and supply fee
Sophomore year	\$125.00 Program Fee
Junior year	\$125..00 Program Fee
Senior year	No fee in lieu of graduation and other senior expenses

If you have any questions please contact Lisa Moser, Foundations Director, through email (lisamoser@bishopsnyder.org) or by phone at 771-1029 ex. 5220
