

CLASS: LOWER SCHOOL - Nursery

These independent learning tasks should be completed by 18.10.25. All completed tasks will be rewarded with positive points. You can upload your work to Seesaw for us to see.

Mathematics and numeracy	English, literacy and communication	Science and technology	Caru dysgu: humanities
Begin to join in with some number songs. For example "1,2,3,4,5 once I caught a fish alive" and "five little ducks went swimming one day". Sort autumn leaves by colour, count the different sets, touching each one as you count. Begin to recognise numbers in the environment, for example numbers on the telephone, remote control, front doors or car registration plates.	Talk about yourself and your family. Bring to school a photograph of you and your family to add to "our family album". Talk about your photograph with friends. Share a story at home and talk about the pictures in your favourite storybook.	Go on an autumn walk and see how many different things you can see. Can you find any brown, orange, yellow or red leaves? Acorns, pine cones, conkers, twigs? Bring some of the things you find to put on our "let's investigate" table.	Can you learn some important facts about yourself? When is your birthday? Where do you live? What number house do you live in? Talk about things you like to eat.
Caru dysgu: expressive arts	Well-being	Languages: Welsh	Languages: Spanish
Collect some autumn leaves and use these to create an autumn collage/picture. Maybe you could recycle an empty cereal box and decorate it to make a model of your home. Bring your model to school as part of a show and tell display.	Practise dressing yourself for the outdoors. Can you do your zip or buttons up all by yourself? Remember to brush your teeth before you go to bed and when you get up in the morning using your new toothbrush given to you in school. Try to eat something new. What is your favourite fruit or vegetable? I like...	Practise singing the Bore Da song and counting to five. Sing the colour songs to practise your colours in Welsh. Welsh YouTube	Practise counting to five and naming some colours in Spanish. Sing the colour songs to practise your colours in Spanish. Spanish YouTube
