Collaborative Comprehensive Needs Assessment

To assess where our students are in relation to our Vision, Mission, and our Board-approved goals, the DEIC reviewed all available data to identify our strengths and to prioritize our needs. Formal review includes data from the following:

Studying current year and longitudinal Texas Academic Progress Report (TAPR) data from previous years:

Student Discipline STAAR EOC and 3-8 Data College and Career Readiness

Retention Dropouts / Leavers 2022 Completion Rates

SAT / ACT CTE Program information Extra- Curricular Participation

Attendance Rates

The district also reviews:

Beginning /Middle/ End of Year Assessments

Prior year budgets /expenditures

Faculty needs

The District Strategic Plan

Staff Development Needs

Facility needs

Superintendent Goals

Parent Involvement

Technology needs

Campus Goals

Informal measures such as the following:

- Needs discussed in the Superintendent Advisory Committee meetings held throughout the school year.
- Needs identified through campus faculty meetings carried forward to DEIC meetings and a Comprehensive Collaborative Needs Assessment Survey.
- Review of previous year initiatives to determine overall effectiveness and necessary continued funding.
- Review of the district's vision and discussion at the district level, regarding current information/research-based strategies that will support vision attainment.

District Attendance and Annual Drop-Out Rates Compared to Region 13 and State of Texas

	Attendance	Drop-Out Rate
Wimberley	94.65%	0.0%
Region 13	92.8%*	2.3%
Texas	93.3%*	2.0%

^{*}Last available data of 2024 TAPR. *

WISD strives to achieve high attendance. The district deploys many incentives at the different campuses to have students at school. The district attendance rate is a little higher than the region and state.

WISD works to keep students motivated in completing their High School education and strongly encourages post- secondary education.

Students that leave school during the course of the year count as LEAVERS for the district. WISD and the campuses work diligently to encourage students to stay in the district through graduation.

2023 Accountability (Last Available Rating): WISD earned a B Rating with Academic Distinctions in Science and Social Studies

EC – **Kindergarten Readiness** – Increased participation in our Pre-K program is leading to higher percentages of students that are Kindergarten Ready.

HB4545- Assessment data reviewed. Students that failed the math or reading assessment in any grade 3-8 were placed on a priority scheduling list to ensure that their schedules accommodated additional time for reteach throughout the school year to catch up on skills missed in the assessment. Texan Time at the JH and HS has prioritized remediation for tutorial sessions as required by HB4545 and as modified in HB1416.

Priority 1.1: Academic Achievement supporting individual student growth at all levels and content areas.
