

South St. Paul Public Schools

Educational Benefits

Each year we ask our families to fill out an educational benefits application or to opt out. Educational Benefits benefit not only you with household discounts and reduced prices on education items, they also benefit our school district with government funding.

To apply for Education Benefits:

- Online using your www.schoolcafe.com account; or
- Download and print a paper application or pick one up at your student's school; or
- Call our nutrition services office (651) 457-9456 to complete your application over the phone

Return all applications to your student's school or to the District Office at 104 5th St S, SSP
Hmong and Somali applications are available on School Cafe or in-person by request

Families who qualify for Educational Benefits also receive free or reduced fees for SSP Secondary Activities and Athletics Programs.
