Diman Regional Vocational Technical High School

Building the Future Home of the Bengals – Together

Diman Construction Project Community Outreach Meeting

The Diman Regional Vocational Technical High School Project Team will be hosting an informational meeting regarding the upcoming construction project. This meeting is open to the public and we encourage you to attend! During this meeting, the Project Team will share the latest information on the design, construction, and schedule, as well as additional project updates.

Date: Wednesday, September 24, 2025

Time: 5:30 PM
