

PATRIOT POST

September 1, 2025

Vol.5

Good evening Families,

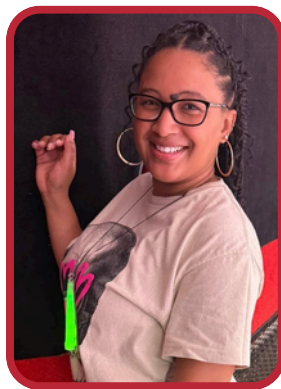

This week we begin the drafting for Athletic Study Hall. It is the students responsibility to reach check their emails on Sunday/Monday night to see if he/she/they have been drafted for Patriot Period on Wed and Thurs.

Friday's game did not begin as planned with a heavy delay, but we sincerely thank the fans for staying and celebrating the Marching Band's production prior to the start. Reminder that **K-8** students attending the game **MUST** have a parent/guardian (21+) in attendance with them at all times. **All spectators must have a ticket, and we will have exit only traffic beginning 3rd quarter.**

After the game on Friday, the custodial department, game workers, myself, and volunteer John Titus cleaned up the significant trash left behind on **OUR SIDE** of the stadium. Collegiate school left their bleachers spotless. We have large trash canisters placed throughout the stadium and would appreciate you cleaning your area prior to leaving. AHS is our home so please treat it as such. #chasingpremierstatus

COACHES CATCH-UP

This week we catch up with Varsity Cheer Coach Marktika Taylor, who has been leading the team for 8 seasons. When asked what fuels her as a coach she said cheerleading has always been a passion, and she truly enjoy teaching young adults the sport she loves.

She takes pride in educating them on how to be positive role models, not just in cheer, but in life. In her spare time, Marktika spends time with friends/family and dogs, and travels. Something you may not know, her favorite dish is baked spaghetti.
