The Lego Club provides a safe and challenging environment to promote creativity and critical thinking. Students will be invited to participate in weekly building challenges or are able to free build.

Please remember that participants should...

- Demonstrate PRIDEful behaviors
- Be a positive influence to others
- Listen and follow the directions of the club leaders
- Participate in cleaning up
- Be respectful of others and only work on another person's project when asked
- Remember that Lego Club materials stay at NRE
