Message from the Superintendent

Upcoming Events:

September 15th

2hr delay for Inservice

Where did the summer go? As you get older the time seems to fly by and this summer seemed like the fastest ever. If you saw my "Back to School" video, there was a lot of information. We talked about the new bus route and the new bus stop in the park. This allows more students to have access to bussing. Drew Wertenberger, our Transportation Director is working towards a plan that will offer a bus ride to all students in Delphos. We hope this is only a couple years away. The district introduced many new faces this year and though only a few weeks in the start has been outstanding. If you are looking for Latch Key before or after school, The Little Leaf Early Learning Academy should be opening its doors very soon. Here is their Facebook address which has all their contact information: <https://www.facebook.com/LittleLeafELA#>. The Delphos City Schools will offer bus transportation to/from the Little Leaf in the morning and afternoon for your convenience.

Fall Sports are in full swing. The Lady Wild Cats are off to good starts in golf, soccer, and volleyball. All these teams have excellent numbers and are experiencing success. The boys golf team and the football teams are working hard to continue to grow their numbers that will lead to more success down the road. Middle School Fall sports are also fighting the numbers game but are working hard to get some wins and represent well. HS and MS Cheer Squads are well represented and are doing an amazing job raising spirit for our teams. Our Marching Band, "The Pride of Delphos" also continues to grow and improve. The band has a good number of MS students marching on Friday nights which is awesome. We are proud of all our young people and love watching those involved in extracurricular activities play/perform. The calendar of events is listed on the school's website. If you get time the kids would love to see you attend a game or concert. The weather has been very cooperative the first couple weeks of school. The cooler temperatures make the school days much nicer for our students and staff. It is Ohio though, so expect another heat wave and we can expect fog sooner than later. Please make sure you are signed up for the instant alerts for delays and cancellation information. As always if you have questions or concerns, please reach out to your principal, or email me.

Go JeffCats!

Delphos Preschool

The preschool has had a great start to the year! The students are learning the routines and are enjoying playing with new friends.

Franklin Elementary

After the anxiety of the first day of school, students are getting into a routine here at Franklin. We welcome the new **Kindergarten** class!

Our school year started off with the fall fundraiser to help raise money for technology, field trips and student activities. Students were pumped up with an assembly to learn about all the cool prizes.

Delphos Middle School

***Great start to the new year for DJMS.**

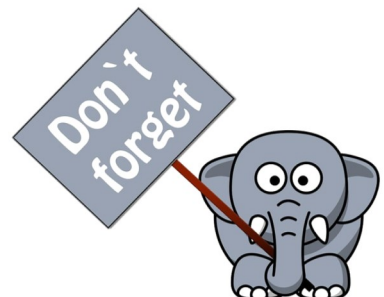

RETAKES

***School Pictures were Friday August 29, and retakes will be Friday October 3.**

***Huge THANK YOU to Terry Trentman and his Summer Workers, the building looks great!!!**

***DC Meeting for
8th Graders and parents
on
Wednesday September 3 at
6:00pm
in the cafeteria.**

Delphos Jefferson High School

**The High School has so many things happening!
From Volleyball, Soccer, Football, Golf, Choir, Band, and
more..**

**So many things are happening!
