(GRADES K-6)

\$6/student, \$2/chaperone (free for teachers) \$50 non-refundable deposit required at booking. Deposit will go toward the total program fee.

To schedule, email education@indianamuseum.org or click here to book your field trip.

Indiana Innovation Day Sept. 19

10 a.m.-1 p.m.

Are your students curious and love hands-on learning? Join us for a day of innovation as we travel from the past, to the present and look into the future to explore the history, technology and innovations of Indiana through community exhibitors, interactive activities and design challenges. Students will use their imagination to tinker, make, create, invent and play!

There is limited space so register early. Only Indiana Innovation Day-related field trips offered during this time. No self-guided field trips available.

STEAM Days March 4 & 5, 2026

10 a.m.-1 p.m.

Students will connect to the museum on a deeper level as they interact with hands-on, minds-on activities throughout the museum on these special STEAM Days. Explore and discover Indiana's connections to science, technology, engineering, art and math through community exhibitors, interactive activities and design challenges.

There is limited space so register early! Only STEAM-related field trips are offered during this time. No self-guided field trips available on these days.
