Freeport Area High School

11th Grade Job Shadowing Day Permission Slip

Date of Event: Friday, October 10, 2025

Dear Parent/Guardian,

As part of our **Freeport Future Ready Series**, all 11th grade students will be participating in **Job Shadowing Day** on **Friday, October 10, 2025**. This opportunity allows students to explore potential careers by spending the day with a professional in a field of interest.

Job Shadowing is a local graduation requirement, and participation is essential for students to fulfill this expectation. Students will be responsible for arranging their own job shadowing experience with an approved professional or organization and must complete all required documentation. ***If your child completed their job shadowing requirement, parents still need to complete this form and turn it into the guidance office. Alternative opportunities will be provided for those students who have their requirements completed.*** After students complete their job shadow experience, the job shadowing assignment must be completed in their PA Career **Zone account**.

This permission slip will also serve as the student's **attendance accountability** for that day. In order to be marked present, this form must be completed and returned to the Counseling Office no later than **Friday, October 3, 2025**.
