III. NEW YORK STATE NO-FAULT LAW PERTAINING TO SCHOOL BUSES

There are special rules for occupants of a school bus and no-fault insurance coverage, the insurer of the school bus provides no-fault benefits. This law, therefore, requires passengers to first apply a claim to their own automobile insurance carrier. The School District has been advised that this does not impact individual residents' car insurance rates but represents a cooperative program by all insurance companies to address this insurance matter.

I hereby consent that my
son/daughter _____ is permitted to take this
class trip going by a chartered or regularly licensed omnibus. I am willing that
he/she makes this trip as a class member to Boundless Adventures, on Friday

above-stated guidelines.*
