Landell Weekly Communication

September 1-5, 2025

Principal's Message

I hope everyone is enjoying the long three-day weekend and taking some time to relax and recharge. As we head into a new week, we're excited for all the learning and activities happening on campus. Please remember to stay connected by checking our weekly communications so you don't miss any important updates or upcoming events. We appreciate your continued support in making our school a great place for students to learn and grow!

Assigned parking spaces

- I kindly ask that families please avoid parking in the reserved spaces for the Principal, Secretary, and Office Assistant located in the front parking area. These spots are designated so that our office staff can arrive on time and be ready to support the school each morning. We appreciate your cooperation in keeping these spaces available so our team can get to work smoothly and continue serving our students and families.

Reflections Theme Search Contest

- Each year, a theme is selected for the National PTA Reflections Program, and for the 2026/27 school year, that winning theme could come from one of our very own talented students!
- We know how creative and imaginative our kids are, and this is their chance to shine. Encourage your child to think of an inspiring theme idea and submit it for consideration. How wonderful would it be to see our school represented nationwide?
