Meet Our School Police Officers

We are fortunate to have Officer Aleksander Czyz and Officer Michael Forman serving our Hug High School community as School Police Officers. Their role is to ensure the safety and security of our students, staff, and families both on and around campus. Beyond keeping our school safe, Officers Czyz and Forman are dedicated to building positive relationships with students, offering guidance, and supporting a safe learning environment where every Hawk can thrive.

Upcoming Events

9/3-Open House
9/15-9/19 Senior Portraits
9/26 Picture Retakes

Reminders

Please log in to Infinite campus to review grades and or attendance.

Counselor Information

Counselor's Corner

Counselors will be meetings with seniors this week to review their credits, classes that they need for graduation, and whether or not they are on track for graduation in June. Seniors will be receiving a copy of their graduation plan, a timeline with important dates and deadlines, and an unofficial copy of their transcript. Please look over these with your student!

The Senior Class of 2026 page is live on Teams. This includes important announcements for seniors, scholarship information, relevant deadlines, etc. We highly suggest having your student get the app on their phone so they can receive notifications!

TMCC's Nevada Promise Scholarship application is now open! Students have until October 31st to apply. There is no GPA or income requirement to apply.
https://www.tmcc.edu/nevada-promise-scholarship

If your student needs to see their counselor, they can use the "Request to See Your School Counselor" link on the Counseling Page of the Hug Website to request an appointment. When a student fills out the form, we are notified that they need to see us so we can send a pass for them.

Library Corner

Greetings Hug High School Families. The Media Center/Library is a busy place all day long. From 7:15 to 4:00 students are eating breakfast or lunch and meeting friends, having classes and story time, returning and checking out books, reading and doing schoolwork, making posters and playing games in this large room with a beautiful view. Ms. Bennett is the Head Librarian and Mrs. Sorensen is the library assistant. For this first quarter Ms. Carnes or Dr. Fossen will substitute for Ms. Bennett who is out on medical leave.

The Media Center is a classroom, so the same rules apply. “Phones away. Learn today.” Reading is an excellent way to learn. There are print books, e-books, and audio books available for check out. Students may use the MackinVIA app to check out e-books and audio books. Books are checked out for a month. There are magazines, yearbooks, and newsletters for library reading. Students may return books to the return boxes by the Media Center/ Library doors at any time. Late, lost, or books from other schools may also be returned. The librarians will make sure the materials get to the correct place and fees are adjusted. The librarians and student library aides are always available to help everyone find something to read.

The next newsletters will have book suggestions and reviews to entice readers to visit their Hug High School Media Center/Library. HAPPY NEW SCHOOL YEAR.

Hug High School celebrates and recognizes positive student behavior! We have a token economy where students can earn Hawk Talons for demonstrating expected behaviors as outlined in the Hawk Value Matrix that was shared in the newsletter last week. Students can spend their Talons at the student store, gain entry to select events, and enter raffles to win prizes. We also host quarterly Hawk Talon events to celebrate students who have demonstrated our Hawk Values by earning a significant amount of Talons. Our token economy is managed through Minga, so please make sure that your student has downloaded the Minga app on their cell phone. If your student does not have a phone, they can access Minga through a school laptop. In addition to our token economy, we also recognize students who demonstrate our Hawk Values on a consistent basis through monthly teacher-nominated Student of Excellence awards.

Communities In Schools®
Western Nevada

Our Mission: We surround students with a community of support, empowering them to succeed in school and achieve in life.

The Work

Communities In Schools is the nation's leading dropout prevention nonprofit organization. As your designated Site Coordinator on campus, I have created specific programming and initiatives to help students stay in school and reach their individual goals for success.

What To Expect

As your school campus CIS Site Coordinators, we play a key role in schoolwide initiatives, navigating community resources, and case managing students needing one-on-one support, including:

- Support services such as academic assistance, tutoring, behavior modification, attendance monitoring, family engagement monitoring, Social Emotional Learning, school supplies, clothing, hygiene supplies, uniforms, community resources, medical/dental referrals, food pantry, weekend food bags and more.
