BACK TO SCHOOL INFORMATION:

Early Childhood Screening - Screen At Three

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten, but the best time to screen a child is between 3 and 4 years old. Screening is a brief, simple procedure used to identify potential health or developmental problems. Screening includes vision and hearing, height and weight, immunization review, large and small muscles, thinking, language and communication skills, as well as social and emotional development.

Minnesota Student Immunization Law

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care providers stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

Vaccines required for entering kindergarten:

- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

Vaccines required for grades 1-12:

- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

Before entering 7th Grade:

- Tdap - one dose
- Meningococcal - one dose

Before entering 12th Grade:

- Meningococcal - two doses

For more information about immunizations, please contact your school nurse or health office.

Emergency Weather Closing

When a decision is made to close schools, an announcement will be made over major radio and television stations as early in the morning as possible. The announcement will identify our school district as White Bear Lake Area Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Instagram page.

Transportation

Busing information will be posted on the students' Parent Portal by August 29, 2025. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

Health Services

Find information about head lice, immunizations, medications at school, and resources at the district's Health Services website, isd624.org/programs/health-services.

Free Breakfast and Lunch, Application for Educational Benefits

We are a part of Minnesota's Free School Meals Program, which means that all students can get one breakfast and one lunch free of charge each day at school.

Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important because your child(ren) may qualify for other benefits such as reduced sports/activity fees, reduced internet access and utility bills, reduced AP test registration and college application fees, reduced drivers training and more!

Complete the Application for Educational Benefits at the QR code above or online at www.schoolcafe.com/isd624. Paper applications can be requested by contacting Nutrition Services at 651-407-7515.

USDA is an equal opportunity provider.

Community Use of School District Facilities

The Community Services and Recreation Department maintains the school facility reservation schedule. Requests to use school district facilities should be made by emailing facilities@isd624.org (preferred) or through the Facilities Scheduling line at 651-407-7503. Facility details and rental agreement information can be found at isd624.org/CommunityServices.

Scheduling requests should be made at least one week prior to the desired reservation date. If the desired reservation date is less than one week from the activity date, the Community Services staff will make every effort to accommodate requests in a timely fashion.

Preschool Programs

A variety of preschool options are available at various locations in the district for children who are 3 or 4 years old by September 1st. The full day programs located in elementary sites have access to busing and Extended Day options.

Our preschools are four-star Parent Aware rated and provide developmentally appropriate, play-based education with licensed preschool teachers that get kids excited about learning. In addition, we work to align our Early Childhood program with kindergarten to ensure a more seamless transition. Elements of that alignment include use of the ECIPS (MN state early childhood standards) to guide instruction, Handwriting Without Tears, implementation of the Conscious Discipline framework for social and emotional learning, and the use of limited assessments that allow us to understand student progress.

For more information on the locations, cost, and availability of our programs, please visit the website <https://whitebear.ce.eleyo.com> and click on Preschool or call the Early Childhood office at 651-653-3100.

Extended Day (School-Age Care)

Extended Day is an out-of-school time program designed to meet the needs of busy families and active kids. The program serves students in grades preK through 5th grade during the school year. Extended Day compliments the school day, encourages social and emotional growth, and emphasizes student creativity, teamwork and communication, and being active.

The program is youth-focused and choice based, giving youth the opportunity to develop strong social skills and positive relationships. Daily program activities include health and fitness, service projects, arts, creative play, language and literacy, science and more.

Extended Day provides programming before and after school, as well as full-day programming on most non-school days and during the summer. The program has daily tuition with flexible scheduling options, including regular and drop-in contracts. Limited financial assistance is available.

Hours of operation:

Before school..... 6:30 a.m. - school begins

Middle School Opportunities

Breakfast Club

This is a morning opportunity for students who are not able to stay home to catch the bus, live outside the district busing boundaries, or may be early risers. The program is designed to be youth-driven and is flexible enough to include student interests to drive programming. There will be recreation opportunities as well as time to complete assignments, participate in hands-on activities, and hang out with friends.

Program is fee-based and runs Monday through Thursday only, 7:45 a.m. - school start time. See course details in Eleyo for program dates and closure days. Financial assistance and scholarships available, contact 651-407-7501 for more information.

FLEX Program

FLEX is the district's out-of-school time program for middle schoolers. The program includes a variety of opportunities for students, including academic support, recreation time, clubs, and service opportunities. It is designed to be a safe, fun, and relaxing space for students to be when not engaged in other activities or sports. In the program, students will continue their social emotional growth, receive support for academic work, and explore passions and interests of their own.

Program runs Monday through Thursday after school and is free for current middle school students during the school year. Students may be picked up, walk or bike home, or use the activity bus.

INFORMACIÓN DE REGRESO A LA ESCUELA:

Evaluación de la primera infancia -Evaluación a los tres

El estado de Minnesota exige la Evaluación de la primera infancia para todos los niños antes de ingresar al kínder, pero el mejor momento para evaluar a un niño es entre los 3 y 4 años de edad. La evaluación es un procedimiento breve y sencillo que se utiliza para identificar posibles problemas de salud o de desarrollo. La evaluación incluye visión y audición, altura y peso, revisión de vacunas, músculos grandes y pequeños, habilidades de pensamiento, lenguaje y comunicación, así como desarrollo social y emocional.

Ley de vacunación de estudiantes de Minnesota

La Sección 121A.15 de los Estatutos de Minnesota y el Capítulo 4604 de las Reglas de Minnesota requieren que cada estudiante inscrito y que permanezca en una escuela primaria o secundaria debe presentar un registro que indique que ha recibido las vacunas de acuerdo con los estándares médicamente aceptados. Se aceptan registros de vacunación de los padres o proveedores de atención médica que indiquen el mes, el día y el año de cada dosis. Si el estudiante o los padres cumplen con una de las exenciones legales (contraindicación por razones médicas o contraindicación por creencias sostenidas concienzudamente), el proveedor de atención médica o un notario debe firmar una exención adecuada.

Vacunas requeridas para ingresar al kínder:

- Hepatitis B: tres dosis
- DTaP: cinco dosis
- Polio: cuatro dosis
- MMR: dos dosis
- Varicela: dos dosis

Vacunas requeridas para los grados 1-12:

Para obtener más información sobre las vacunas, comuníquese con la enfermera de su escuela o la oficina de salud.

Cierre de emergencia por clima

Cuando se toma la decisión de cerrar escuelas, se hará un anuncio en las principales estaciones de radio y televisión lo más temprano posible por la mañana. El anuncio identificará a nuestro distrito escolar como Escuelas del Área de White Bear Lake. También se harán esfuerzos para utilizar el sistema de alerta de notificación a los padres, para notificar a las familias del cierre de escuelas. Si no se hace ningún anuncio, las escuelas estarán en sesión según lo programado. Los padres también pueden consultar el sitio web del Distrito o la página de Facebook/Instagram.

Transporte

La información sobre el transporte en autobús se publicará en el Portal para padres de los estudiantes antes del 29 de agosto de 2025. Los estudiantes deben estar en la parada del autobús cinco minutos antes de la hora programada para la llegada del autobús. Los estudiantes solo pueden viajar en autobús hacia y desde la escuela en la parada de autobús que se les asigne. Los estudiantes no pueden viajar en otro autobús a eventos como fiestas de cumpleaños, exploraciones u otras actividades. Los horarios de los autobuses son algo flexibles durante la primera semana de clases mientras los conductores se familiarizan con las rutas.

En caso de inclemencias del tiempo, los conductores de autobuses intentarán mantener sus horarios. Sin embargo, si las carreteras están heladas o cubiertas de nieve, los autobuses pueden llegar tarde y los padres y estudiantes deben planear de acuerdo al clima. Los padres deben usar su discreción al enviar a los niños afuera cuando el clima es extremadamente frío.

Para obtener más información sobre el transporte del Distrito, llame a la Oficina de Transporte al 651-407-7538.

Servicios de salud

Encuentre información sobre piojos, vacunas, medicamentos en la escuela y recursos en el sitio web de Servicios de Salud del distrito, isd624.org/programs/health-services.

Desayuno/Almuerzo Gratis/ Solicitud de Beneficios Educativos

Somos parte del Programa de comidas escolares gratuitas de Minnesota, lo que significa que todos los estudiantes pueden obtener un desayuno y un almuerzo gratis todos los días en la escuela.

Aunque no se requiere una solicitud para recibir este beneficio de comida gratis, completar la Solicitud de beneficios educativos sigue siendo importante porque su hijo puede calificar para otros beneficios, como tarifas reducidas para deportes/actividades, acceso a Internet y facturas de servicios públicos reducidos, registro de exámenes AP reducido y tarifas de solicitud universitaria, capacitación de conductores reducida y más!

Complete la Solicitud de Beneficios Educativos en el código QR a la derecha o en línea en www.schoolcafe.com/isd624. Las solicitudes en papel se pueden solicitar comunicándose con Servicios de Nutrición al 651-407-7515.

USDA es un proveedor de igualdad de oportunidades.

Uso comunitario de las instalaciones del distrito escolar

El Departamento de Recreación y Servicios Comunitarios mantiene el horario de reserva de las instalaciones escolares. Las solicitudes para usar las instalaciones del distrito escolar deben enviarse por correo electrónico a Facilities@isd624.org (preferiblemente) o, a través de la línea de programación de instalaciones al 651-407-7503. Los detalles de las instalaciones y la información del contrato de alquiler se pueden encontrar en isd624.org/CommunityServices.

Las solicitudes de programación deben realizarse al menos una semana antes de la fecha de reserva deseada. Si la fecha de reserva deseada es menos de una semana a partir de la fecha de la actividad, el personal de Servicios Comunitarios hará todo lo posible para atender las solicitudes de manera oportuna.

Programas preescolares

Hay una variedad de opciones preescolares disponibles en varios lugares del distrito para niños que tienen 3 o 4 años de edad antes del 10 de septiembre. Los programas de día completo ubicados en sitios de primaria tienen acceso a opciones de transporte en autobús y de día extendido.

Nuestras escuelas preescolares tienen una calificación de Parent Aware de cuatro estrellas y brindan educación apropiada para el desarrollo basada en el juego, con maestros preescolares licenciados que entusiasman a los niños con el aprendizaje. Además, trabajamos para alinear nuestro Programa de la Primera Infancia con el Kinder para garantizar una transición más fluida. Los elementos de esa alineación incluyen el uso de ECIPS (estándares de la primera infancia del estado de MN) para guiar la instrucción, Escritura a mano sin lágrimas, implementación del Marco de disciplina consciente

para el aprendizaje social y emocional, y el uso de evaluaciones limitadas que nos permiten comprender el progreso del estudiante.

Para obtener más información sobre las ubicaciones, el costo y la disponibilidad de nuestros programas, visite el sitio web <https://whitebear.ce.eleyo.com> / y haga clic en Preschool o llame a la oficina de Early Childhood al 651-653-3100

Oportunidades para la escuela intermedia

Club de desayuno

Esta es una oportunidad matutina para los estudiantes que no pueden quedarse en casa para tomar el autobús, que viven fuera de los límites de transporte del distrito o que pueden ser madrugadores. El programa está diseñado para ser impulsado por los jóvenes y es lo suficientemente flexible como para incluir los intereses de los estudiantes para impulsar la programación. Habrá oportunidades de recreación, así como tiempo para completar las tareas, participar en actividades prácticas y pasar el rato con amigos.

El programa tiene costo y se ejecuta solo de lunes a jueves, 7:45 a.m. hasta la hora de inicio de clases. Consulte los detalles del curso en Eleyo para conocer las fechas del programa y los días de cierre. Building Our Future Construction Update

While most of the facilities projects approved by the community in 2019 are now complete, final-stage construction continues at two buildings: Central Middle School and Sunrise Park.

Central Middle School students, who have already been enjoying the new gymnasium added during Phase 1 last summer, will soon benefit from this summer's Phase 2 upgrades. These include an expanded cafeteria, a new Learning Commons, and the transformation of former District Center areas back into academic spaces, adding valuable square footage to the school.

Community members are invited to check out the completed construction projects at Central Middle School by joining us for a Community Open House event that will take place during Homecoming week, from 4:30-6:30 p.m. on Wednesday, September 24.

Meanwhile, District Service Center offices have fully settled into their new home at Sunrise Park, following the move during the 2024-25 school year. Since spring 2025, School Board meetings have taken place in the Community Room boardroom at Sunrise. Most recently, the district's Senior Program transitioned to Sunrise Park, following a celebratory farewell picnic at Normandy Park.

Construction is also underway to prepare Sunrise Park to house the Early Childhood Center and Transition Education Center, with programming set to begin in the new space in Fall 2026.

Complete info about the district's facilities projects, including construction details about individual projects, additional videos and presentations, can be found online at isd624.org/BuildingOurFuture

Equity Commitment

To nurture the whole student, we disrupt systemic inequities by recognizing, honoring, and embracing all cultures with humility and respect.

4-Way Equity Decision Making Protocol:

- » How does this help to provide opportunities to students who have been marginalized within the system in the past?
- » How does this help to ensure equitable access for all?
- » How does this help to eliminate barriers based on race/ethnicity, gender, disability, age, or other protected groups?
- » How does this ensure that the same rigorous standards for academic performance exist for all students?

Mission

The mission of the White Bear Lake Area School District, the community at the forefront of educational excellence, honoring our legacy and courageously building the future, is to ensure each student realizes their unique talents and abilities, and makes meaningful contributions with local and global impact through a vital system distinguished by:

- » Students who design and create their own future
- » A culture that respects diverse people and ideas
- » Safe, nurturing and inspiring experiences
- » Exceptional staff and families committed to student success
- » Abundant and engaged community partners
