What Is a Timeline?

A timeline is a way to show how time passes. Timelines help us understand history.

This timeline shows what happened in one hour at Ivan's house before school.

Directions: Look at the timeline and answer the questions.

1. What time did Ivan brush his teeth?

2. Circle the event that happened first:

making the bed getting dressed

3. What is the last event that Ivan completes before leaving for school? Use words and pictures.

A large dashed rectangular box for writing answers to questions 2 and 3.
