

Map It Out

Directions: Label the compass rose and create symbols for the map key. Then follow the directions to complete the map.

Map Key

School

Tree

Hospital

Campsite

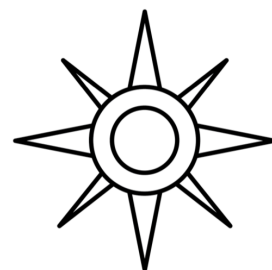

Playground

House

Store

1. Put the school in the center of the map.
2. The hospital is north of the school.
3. The playground is west of the hospital.
4. There are three houses south of the playground.
5. The store is northeast from the school.
6. The campsite is among trees south of the school and the river.

Your friend wants to go from the campsite to the playground. Draw the path on the map and then write the directions below. Use the back if you need more space.
