Dear Parents/Guardians,

Title I is a federally funded program instituted to increase the learning of students. Silver Creek Elementary is designated as a "schoolwide" Title I school. Schoolwide programs allow Title I staff to work with ALL students. The goal of Title I is to provide a high quality education for EVERY student. Each year we receive test data to identify specific **areas** of academic need. Title 1 money gives our school additional teachers and materials to assist in these areas. The Title | program and the regular education program are working together to improve your child's academic progress.

We ask you to please sign and return the Title | Home/School Compact. If you have any questions about Title I, please contact our school. Thank you.

Sincerely,
Meghan Hillman
Title I Coordinator
