- B. Disclaimer: The contents of this *Handbook* are presented as a matter of information only. The plans, policies and procedures described are not conditions of employment. The District reserves the right to modify, revoke, suspend, terminate, or change any or all such plans, policies, or procedures, in whole or in part, at any time with or without notice. The language which appears in this *Handbook* is not intended to create, nor is it to be construed to constitute, a contract between the District and any one or all of its employees or a guarantee of continued employment. Notwithstanding any provisions of this *Handbook*, employment may be terminated at any time, with or without cause, except as explicitly provided for in any other pertinent section of this *Handbook* or individual contract.

In case of a direct conflict between this *Handbook*, rules, regulations or policies of the Board and any specific provisions of an individual contract or collective bargaining agreement, the individual contract or collective bargaining agreement shall control.

Copies of Board Policies and Administrative Guidelines are available in each administrative office to all personnel and are on the **district** website. It is important that each employee is aware of the policies and procedures related to his/her position. The rights and obligations of all employees are governed by all applicable laws and regulations, including, but not limited by enumeration to the following: Federal laws and regulations, the laws of the State of Wisconsin, Wisconsin State Administrative Code and the policies of the **Luxemburg-Casco** School Board.

1. If seasonal/summer school session employment is available, the District may offer seasonal/summer school employment to the applicable qualified regular school year employees. The District is free to use outside providers to perform such work.
 2. The terms and conditions of employment for seasonal/summer school session shall be established by the District at the time of hire. 3. The grievance must be filed by the affected employee(s) (i.e., one employee may not file on behalf of another).

These procedures are available upon request in the District office. No employee may approve or deny his/her own requests for leave that may be taken under the laws addressed in this policy. The duration and other terms and conditions of any approved leave will be as specified in the applicable laws, as expressly supplemented by District-established guidelines and procedures and by the notices that the District provides to an employee in a specific situation.

Pursuant to the established procedures described above, employees are expected to provide the District with reasonable notice of the need for leave, and this notice should be provided in advance of the need for leave whenever possible. No employee may, in the employee's capacity as an employee, participate in the making of a contract in which the employee has a private pecuniary interest, direct or indirect, or performs in regard to that contract some function requiring the exercise of discretion on the employee's part. Such report shall be made as soon as possible, but in no circumstance more than three calendar days after the event giving rise to the duty to report. The District may conduct criminal history and background checks on its employees. An arrest or indictment shall not be an automatic basis for an adverse employment action. Conviction of a non-felonious crime shall not be an automatic basis for an adverse employment action. The District shall consider the following factors in determining what action, if any, should be taken against an employee who is convicted of a non-felonious crime during employment with the District:

- A. the nature of the offense;

Nothing herein shall prohibit the District from placing an employee on administrative leave or from suspending an employee based upon an arrest, indictment or conviction.

In addition, the District will not condone the involvement of any employee with illicit drugs, even where the employee is not on District premises. Employees of the school system shall not possess, use, or distribute any illicit drug or alcoholic beverage as defined in Wisconsin Statutes while on school premises or while responsible for chaperoning students on school-sponsored trips. Any employee who possesses, uses, or distributes any illicit drug or alcoholic beverage on school premises, or while responsible for chaperoning students on a school-sponsored trip may be disciplined, up to and including discharge. All school employees shall cooperate with law enforcement agencies in investigations concerning any violation of this provision.

Employees who violate this policy will be subject to disciplinary action, up to and including termination from employment. § 120.12(20), Wis. Stats.

For additional detail as to the procedures associated with this provision refer to Policy 3122.01.

3.14 Employee Identification Badges

The District shall provide employees with an employee identification badge. Employee identification badges are an important part of employee work attire. They allow students, parents, coworkers, vendors and the public to easily identify you as an employee. They are an important part of providing a secure environment for our students. Employees must wear their employee identification badges in plain sight during their contracted work time.

3.15 False Reports

Employees may be disciplined for filing false reports or statements including, but not limited to, the following: accident reports, attendance reports, insurance reports, physician's statements, pre-employment statements, sick leave requests, student records, tax withholding forms and work reports.

3.16 Financial Controls and Oversight

Employees shall adhere to all internal controls that deter and monitor all fraud or financial impropriety in the District. Any person who suspects fraud or financial impropriety in the District shall report the suspicions immediately to any supervisor, the District Administrator or designee, the Board President,

or local law enforcement. Reports of suspected fraud or financial impropriety shall be processed in a manner that gives appropriate consideration to the confidentiality of these matters. Limited disclosure may be necessary to complete a full investigation or to comply with law. Each employee who supervises or prepares District financial reports or transactions shall set an example of honest and ethical behavior and shall actively monitor his or her area of responsibility for fraud and financial impropriety. Neither the Board nor any District employee shall unlawfully retaliate against a person who in good faith reports perceived fraud or financial impropriety.

3.17 Fraud and Financial Impropriety

Gambling on District-owned or leased premises is prohibited at all times. Gambling during the workday on or off District property is prohibited.

3.19 Gifts and Sale of Goods and Services

- A. Gifts: An employee or a member of the employee's immediate family may not accept, directly or indirectly, any gift, money, gratuity, or other consideration or favor of any kind from anyone other than the District that a reasonable person would understand was intended to influence official action or judgment of the employee in executing decision-making authority affecting the District, its employees or students. It shall not be considered a violation of this policy for an employee to receive incidental entertainment, food, refreshments, meals, or similar amenities, that are provided in connection with a conference or similar work-related activity where the employee's supervisor has reviewed the agenda for the conference or other activity and concluded that such incidentals primarily facilitate the employee's attendance at and participation in the activity, and, therefore, primarily benefit the District rather than serving primarily as a personal benefit. Exceptions to this policy are acceptance of minor items, which are generally distributed to all by companies through public relations programs. Teachers should accept only gifts of token value from students.

It is the District's policy for individuals to decline gifts, gratuities or favors from any outside organization or individual doing business or seeking to do business with the District. Gifts that are intended for the benefit of the District should be referred to ***District Administrator*** for proper processing under the District's policy on gifts and solicitations and the terms of section 118.27 of the Wisconsin statutes.

Gifts of nominal or of insubstantial value and services offered for a reason unrelated to the employee's position and which could not reasonably be expected to influence a decision could be accepted. Larger gifts to employees as an individual and gifts of more than a nominal or insignificant value should be graciously declined. Please refer to ***Board Policy*** for information on conflicts of interest and for staff gifts and solicitations and section 19.59 of the Wisconsin statutes.

- B. Sale of Goods and Services: No District employee may receive for his or her personal benefit anything of value from any person other than the District to sell, promote the sale of or act as an agent or solicitor for the sale of any goods or services to any public school pupil while on the property of the District or at an activity of the District. § 118.12, Wis. Stats.

3.20 Honesty

Honesty is a core value in the District. Employees shall not create any intentional inaccuracies verbally or on official District documents such as time sheets, job applications, student records, etc.

3.21 Investigations

- A. Expectation of Cooperation: In the event of a District investigation or inquiry, every District employee has an affirmative duty to provide to his/her supervisor(s), or any other District official assigned to investigate, all relevant and factual information about matters inquired except as provided for below in paragraph "B." Employees failing to volunteer such information shall receive a directive from an administrator to provide a statement. The employee's failure to comply with the directive may constitute "insubordination," a violation that will be grounds for disciplinary action up to and including termination.
- B. Investigation interplay with potential criminal conduct: If the alleged misconduct may constitute criminal conduct by the employee, the employee may be provided a *Garrity* warning. *Garrity v. New Jersey*, 385 U.S. 493 (1967).
- C. Administrative Leave: The District may place an employee on administrative leave, paid or unpaid, during an investigation into alleged misconduct by the employee.

3.22 Licensure/Certification

Each employee who is required to be licensed or certified by law must provide the District with a copy of the current license or certificate to be maintained in his or her personnel file. Personnel files can be found in **the District Office**. Employees are expected to know the expiration date of their license/certification and meet the requirements for re-licensure or certification in a timely manner. A teaching contract with any person not legally authorized to teach the named subject or at the named school shall be void. All teaching contracts shall terminate if, and when, the authority to teach terminates.

3.23 Nepotism

- A. Applicants for employment in the District will be selected without regard to a relationship by affinity or consanguinity, which they may have with a current employee of the District. However, to avoid possible conflicts of interest, which may result from employment procedures, an employee who is related by affinity or consanguinity to another employee or applicant shall not participate in any decision to hire, retain, promote, evaluate or determine the salary of that person.
- B. Definition: For the purposes of this *Handbook*, a "relationship by affinity" is defined as one that includes, but is not limited to, a relationship which an individual has with his or her spouse, designated partner, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, adoptive sibling, adoptive child, adoptive parent, adoptive first cousin, a financial dependent or co-dependent [for example sharing the same place of residence]. A "relationship by consanguinity" is defined as a relationship which an individual has with a blood relative that extends to first cousin. The phrase "decision to hire" includes every aspect of the hiring process.
- C. Employee Reporting Requirements: Should a District employee be called upon to participate in a decision to hire, retain, promote, evaluate, or determine the salary of a person related to him or her by affinity or consanguinity, as defined above, the employee shall refrain from participating in such decision and shall instead delegate his or her decision making authority regarding that person to the District Administrator or his or her designee. Should the District Administrator be called upon to participate in a decision to hire, retain, promote, evaluate or

determine the salary of a person related to him or her by affinity or consanguinity as defined above, he or she shall refrain from participating in such decision and shall instead delegate his or her decision making authority in regard to the employment status of that person (i.e., decision to hire, retain, promote, evaluate, etc.) to another employee of the District.

3.24 Outside Employment

Outside employment is regarded as employment for compensation that is not within the duties and responsibilities of the employee's regular position with the school system. Personnel shall not be prohibited from holding employment outside the District as long as such employment does not interfere with assigned school duties as determined by the District. The School Board expects employees to devote maximum effort to the position in which employed. An employee will not perform any duties related to an outside job during regular working hours or for professional employees during the additional time that the responsibilities of the District's position require; nor will an employee use any District facilities, equipment or materials in performing outside work. When the periods of work are such that certain evenings, days or vacation periods are duty free, the employee may use such off-duty time for the purposes of non-school employment.

3.25 Personal Appearance/Staff Dress Code

District employees are judged not only by their service but also by their appearance. The District expects every employee's appearance to be consistent with the high standards we set for ourselves as a District. Employees are expected to present a well-groomed, professional appearance and to practice good personal hygiene. Remember, to our students, parents and the public, employees represent the District.

The District expects that all employees are neat, clean, and wear appropriate dress for work that is in good taste and suitable for the job at hand. The District will not tolerate dress or attire from school employees that the principal or supervisor considers disruptive, inappropriate, or which adversely affects the educational atmosphere.

3.26 Personal Property

- A. Liability: The District does not assume any responsibility for loss, theft or damages to personal property. In order to minimize risk, the District advises employees not to carry unnecessary amounts of cash or other valuables. If employees bring personal items to work, they are expected to exercise reasonable care to safeguard them. The District is not liable for vandalism, theft or any damage to cars parked on school property.
- B. Search of Personal Effects [Please see Section 3.12 of the *Handbook* for information on the Search of District Property]: Employees should have no expectation of privacy to items contained in plain view, for example, but not limited by enumeration to automobiles parked on the District's property, items left on top of or within desks and cabinets, lockers, etc. Items not in plain view and contained within personal property, e.g. purse, satchel, wallet, coat, backpack, etc., may be searched in accordance with applicable state and federal law.

3.27 Personnel Files

An employee shall have the right, upon request and consistent with the timelines and content limitations specified in state law, to review the contents of his/her personnel file, at least two (2) times per calendar year, while in the presence of the administrator or his designee. The employee shall be entitled to have a representative accompany him/her during such review. This examination must be accomplished in the presence of the person officially charged by the District Administrator with custody of those files. The removal of this file from the safekeeping place will be done by the official personnel file custodian. The

employee's personnel file or any part thereto may not be removed from the visual presence of the official custodian. An employee shall have the right, upon request, to receive copies of any documents contained in the personnel file except those delineated in § 103.13(6), Wisconsin Statutes, upon payment of the actual cost for making such a copy.

If the request to review personnel records is pursuant to an active grievance filed by that employee, the District will provide copies of the records to the employee, at the employee's expense, and the employee and his or her representative may examine the copies outside of the presence of the administrator/records custodian.

After reviewing his or her personnel records, the employee has the right to request that records he or she believes to be inaccurate or obsolete be removed from his or her file. If the District denies the request, the employee has the right to file a written rebuttal statement and have that rebuttal attached to the disputed record. If the District intends to release the disputed record to a third party, the District must also release the attached employee rebuttal statement to the third party. § 103.13(4) Wis. Stats.

3.28 Personnel – Student Relations

All District personnel will recognize and respect the rights of students, as established by local, state, and federal law. Employees shall, at all times, maintain a professional relationship and exhibit a professional demeanor in their interactions with students. Further, employees shall refrain from engaging in any actions or conduct of a sexual nature (verbal or physical) directed toward a student, including, but not limited to, sexual advances, activities involving sexual innuendo, or requests for sexual favors or sexually explicit language or conversation. Employees shall not form inappropriate social or romantic relationships with students, regardless of whether or not the student is 18 years old. Employees shall not use profane or obscene language or gestures in the workplace.

3.29 Physical Examination

- A. Examination: Upon initial employment, physical examinations shall be required of District employees in accordance with section 118.25 of the Wisconsin statutes. Upon initial employment, evidence that employees are of sound health, sufficient to perform the essential functions of their assignment, is necessary to make binding the offer of employment or the initial contract, as applicable, with the District.
- B. Fitness for Duty: The District may require a physical and/or mental examination at the expense of the District where reasonable doubt arises in the minds of the District concerning the current health of the employee and/or the ability of the employee to perform essential functions of the job with or without reasonable accommodation, and consistent with the limitations imposed by applicable state and federal law. Failure to comply with this request or failure to provide a doctor's certification of sufficiently sound health to perform duties assigned may result in discipline up to and including discharge/termination.

3.30 Political Activity

Employees may exercise the rights and privileges of any citizen in matters of a political nature consistent with the following restrictions:

- A. No school employee shall, (1) in the presence of any student, and (2) during hours for which pay is received or while the employee is otherwise acting within the scope of their employment, engage in any activity for the solicitation, promotion, election, or defeat of any referendum, candidate for public office, legislation, or political action. When not engaged in the performance of their duties (e.g., during designated break periods) and when no students are present, employees who are at a work location may engage in private conversations with non-students or in other personal activities that address, for example,

political topics.

- B. During established hours of employment or while an employee is engaged in his/her official duties, no employee or other person may solicit or receive from any employee any contribution or service for any political purpose, where a “political purpose” includes an act done for the purpose of influencing the election or nomination for election of a person to office. Furthermore, no person may enter any District building, office or facility in order to request, make or receive a contribution for a political purpose.
- C. No school employee shall use in any way the classrooms, buildings, or pupils for the purpose of solicitation, promotion, election, or defeat of any referendum, candidate for public office, legislation, or political action. This provision does not apply to use of District facilities by employees for events or activities that are not within their scope of employment and that are held pursuant to the District’s policies regarding facilities use by third parties.
- D. No school employee shall make use of school equipment or materials for the purpose of solicitation, promotion, election, or defeat of any referendum, candidate for public office, legislation, or political action.
- E. This section does not apply to the provision of information by school employees in connection with any election, referendum or legislation where authorized by the school board or District Administrator and where consistent with legal limitations on the use of public funds and School District resources.

3.31 Position Descriptions

Position descriptions are available for inspection for each District employee and located in the District Office. At a minimum, the descriptions will include the job title and description, the minimum qualifications, and the essential functions of the position. Employees must be able to perform the essential functions of the job description.

3.34 Employee (Whistleblower) Protection

Refer to Policy 3211

3.35 Work Spaces, Including Desks, Lockers, etc.

Employees shall have no expectation of privacy with respect to any item or document stored in or on District-owned property, which includes, but is not limited to, desks, filing cabinets, mailboxes, lockers, tables, shelves, and other storage spaces in or out of the classroom. 3.36 Work Made for Hire

Occasionally an employee has questions regarding the use of materials to be included in books or other commercial materials. Such materials created by the employee may include staff development presentations or tests/test items. Any work prepared by an employee within the scope of his/her employment is owned by the District. Teachers are professional employees as defined by the federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act, § 111.70(1)(L), Wis. Stats.

Although professionals' work is not limited to any specified number of hours or days per week, the "normal" hours of work for full-time employees in positions authorized as "40 hours per week" are considered to be eight (8) hours per day Monday through Friday including a duty-free thirty (30) minute lunch period. The actual workday for each building shall be established by the Board.

If a teacher accepts a voluntary assignment during his/her duty-free lunch period, he/she will be compensated at the rate of **forty dollars (\$40.00)** per lunch period.

The deduction from pay from certified staff may occur under certain circumstances in accordance with Wage and Hour Laws.

2.02 Administratively-Called Meetings

Staff Meetings: Teachers may be required to attend all administratively-called staff meetings. Teachers who are required to attend administratively-called meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings. The administration shall attempt to provide reasonable notice of all such meetings.

Other Administratively Called Meetings: The notification and duration provisions of the previous paragraph do not include nor shall they apply to meetings of individual educational plans teams, the preparation of individual education plans, parent-teacher conferences, department meetings or activities of similar nature, which are normally conducted at other times. Teachers are required to attend such events regardless of the date, time or duration of said meetings. Teachers who are required to attend other administratively called meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings.

All teachers are encouraged to attend music programs, art shows and/or other District or building events that occur after the normal workday.

Such consultation may be in the form of phone contacts, home visitations, progress reports, in-person appointments, etc., in addition to the scheduled parent/teacher conferences.

2.05 Professional Hours

- C. Professional work hours shall be governed by the following:
 1. The starting and ending times for employees are determined by the Board.
 2. Teachers may be required to attend administratively called meetings.

2.06 Flexible Scheduling during Workweek

An employee may request a change in his/her weekly work schedule. The request for a change in the employee's weekly work schedule shall be made in advance of the proposed change with the employee's immediate supervisor. Teachers shall not receive additional compensation in the event the District requires such day(s)/time to be made up with or without pupils.

The District may require teachers to attend in-service and other training, either of which may occur outside of employees' regular hours of work. Additional compensation (if any) for such training shall be determined by relevant law, District policy, and pertinent employment contracts.

SECTION 3. PROFESSIONAL GROWTH

3.01 Requirement to Remain Current

All teachers shall engage in independent and active efforts to maintain high standards of individual excellence. Such efforts shall include keeping current in each specific and applicable area of instruction, Board established curriculum, as well as continuing study of the art of pedagogy. In addition to maintaining high standards of excellence for the students and school, the teacher will make him/herself available during the contractual year and day to his/her colleagues for assistance, to the District for services beyond those specifically required as part of his/her individual contractual duties, and to the community as a valuable resource.

4. Assistance, recommendations and directions may, at the discretion of the District, be provided to each teacher in an attempt to correct professional difficulties observed.

- B. Acknowledgement of Receipt and Response: The teacher will acknowledge receipt of all documents related to supervision and evaluation by signing and dating the document within ten (10) school days. The teacher shall have the right to attach a report with any remarks concerning the document(s). Acknowledging receipt does not imply agreement with all or part of the documents received. Any employee wishing to comment on the evaluation or who feels the evaluation was incomplete, inaccurate, or unjust, may reduce those comments or objectives to writing and have them attached to the evaluation instrument to be placed in the personnel file. A teacher may attach a response to any document related to this process after the teacher's receipt of the evaluation document(s) listed above. The file copy of the evaluation and any comments or objectives shall be signed by both parties to indicate awareness of the content. The following statement shall be part of the instrument:

"The signatures do not indicate agreement or disagreement but merely certify that the opportunity was available for attaching written clarification/objections at the time of signing."

The response must be initialed by the supervisor. The preceding process and documentation may be accomplished through an electronic process.

- C. Professional Development: New-to-the-system teachers may be required to spend additional work days, some prior to the beginning of school, with additional compensation preparing professional and curriculum materials and lesson plans (in addition to being oriented to the District, evaluation practices and general expectations for their assignments.) The days shall be planned by a joint committee composed of teachers and administrators. The teachers shall be appointed by a member of the administrative team.
- D. Mentor/Mentee Program

- D. Process for Filling Vacancies: An employee who applies for a vacant position, prior to the end of the posting period, may be granted an interview for the position. The term "applicant" refers to both internal candidates and external candidates for the position. The District retains the right to determine the job descriptions needed for any vacant position.
- E. Involuntary Transfers: When the District determines that an involuntary transfer of an employee is necessary, it may, at its discretion, transfer any employee in the District qualified for the position. SECTION 1. DISCIPLINE AND DISCHARGE

1.01 Standard for Discipline and Termination

The District Administrator is solely responsible for implementing any or all disciplinary measures, including, but not limited to, suspension and/or dismissal from employment. Such discipline or termination shall be subject to the grievance procedure provisions of this in policy. *See Policy 4340*

1.02 Representation

In the event any employee is called to a meeting with representatives of the Employer for the purpose of issuing discipline or discharge, or for the purpose of investigating circumstances that may lead to discipline or discharge, the employee may request representation. In the event the employee chooses to have representation, the meeting may be delayed at the discretion of the District until appropriate representation may be obtained. Nothing in this provision shall prevent an Employer from removing an employee from the work place if immediate action is required.

1.03 Disciplinary Materials

Copies of any disciplinary material(s) shall be provided to the employee before such material is placed in the employee's personnel file.

SECTION 2. HOURS OF WORK AND WORK SCHEDULE

2.01 Letter of Appointment

Should the district anticipate a continuing need for an employee's services during the next school year, it will issue a letter of appointment that will be consistent with, but subservient to, this *Handbook* and board policy, before the last student contact day of the school year. The letter of appointment will identify the employee, the position(s) that the employee is employed for, the length of the work year, the length of the work day, the tentative starting and ending times of the work day, and the pay rate for the position. Specific assignments and hours cannot be guaranteed but an effort will be made to place the employee in a similar position (i.e., assignment, wages and hours) as the one currently held.

A new letter of appointment will be issued in cases of transfers, promotions, demotions, and partial or full reduction in force. In the case of a change of assignment the employee shall be provided with at least **15** calendar days' notice of the change of assignment, if practicable, as determined by the administration.

2.02 Regular Workday and Starting and Ending Times

A regular full-time workday is eight (8) hours, including lunch time. Because of different schedule requirements, employees' starting, lunch, and finishing times may vary in different assignments and locations. Each employee's immediate supervisor will oversee working hours, break periods, and lunch periods.

2.03 Regular Workweek

A regular work week is forty (40) hours or fewer. The regular work week is five (5) consecutive days unless the immediate supervisor assigns the employee to a different work schedule. This section shall not be construed as a guarantee or limitation on the number of hours per day or hours in a work week which may be scheduled or required by the District.

2.04 Part-time Employees

The district will prepare a schedule of hours for part-time employees and provide it to the affected employees.

2.05 Additional Hours and Overtime - Approval and Assignment

- A. Approval: In order for an employee to work beyond his or her contract hours in any week, prior approval must be obtained from the immediate supervisor. Exceptional cases requiring overtime may be approved after the overtime is worked when all administrators/principals/immediate supervisors are unavailable and such pre-approval may cause harm to students, staff, and the community or District property. When an exceptional case involving overtime occurs, the employee must notify their immediate supervisor as soon as possible after the event and provide a rationale for the overtime.
- B. Pay Rate for Overtime: Time worked over forty (40) hours per week is paid at one and one-half (1.5) the regular rate. Time over forty (40) hours per week does not include paid time off, vacation, holiday, or personal leave time. For the sole purpose of determining the appropriate pay period for the receipt of overtime pay, a week is defined as a pay period starting at 12:00 a.m. on Sunday and ending at 11:59 p.m. on Saturday.

2.06 Compensatory Time Off

In lieu of overtime pay, employees may, at their option, choose to receive compensatory time off. Compensatory time off may be taken by mutual agreement between the employer and the employee. One and one-half (1.5) hour of compensatory time off will be granted for each one (1) hour of work above forty (40) hours per week. Time over forty (40) hours per week does not include vacation, holiday, paid time off or personal leave time.

- A. A compensation time log sheet must be kept, and it must provide for overtime hours to be compensated at a rate of not less than time and one-half for each overtime hour worked. The compensation time log is available on our district website under Documents and Forms.
- B. The employee may accumulate up to 30 hours of compensatory time off from July 1st to Dec 31st in a calendar year and 30 hours of compensatory time from January 1st to June 30th in a calendar year. Any unused compensatory time earned from July 1st – Dec 31st will be paid out on the last paycheck in December of the calendar year in which the time was earned. Any compensatory time earned between January 1st and June 30th off will be paid out on the last paycheck in June in the fiscal calendar year in which the time was earned.
- C. The District may require that compensatory time off be exhausted before vacation is taken, even if this will result in accrued vacation being forfeited by the employee.

2.07 Lunch Period

All non-certified employees who work six (6) hours or more per day will be provided a half-hour, duty-free, unpaid lunch period. In conjunction with and approval from their immediate supervisor, an employee may choose to opt out of a half-hour, duty-free, unpaid lunch period. Lunches/opt out will be arranged with and overseen by the immediate supervisor.

Example: An employee who works 6 hrs and opts for a half-hour, duty-free, unpaid lunch period will be scheduled for 6.5 hours. An employee who works 6 hrs and elects not to have a half-hour, duty-free, unpaid lunch period will be scheduled for 6 hours.

2.08 Breaks

Employees scheduled to work at least four (4) hours per work day may receive one (1) fifteen (15) minute paid break. Employees scheduled to work at least eight (8) hours per work day may receive two (2) fifteen (15) minute paid breaks. Breaks will be overseen by the immediate supervisor.

2.09 Time Cards or other Form of Electronic Tracking of Hours Worked

Time cards or an electronic time card system shall be used by all employees. Employees will punch in only at such time as they are fully prepared to begin work. Employees are responsible for their own time cards and shall not punch in or out for any other employee. Employees caught punching in or out for another employee will be subject to discipline up to and including discharge. If an employee leaves the premises for any personal reason, the time clock is to be used to punch out and punch in upon return. Employees should not punch in earlier than five (5) minutes prior to their start time. Employees should not punch out later than five (5) minutes after their end time unless approved by their immediate supervisor under the provisions of 2.05 Additional Hours and Overtime – Approval and Assignment.

2.10 Emergency/Inclement Weather School Closings or Delays

- B. All other employees shall not report to work on days when the school to which they are assigned is closed due to inclement weather or other situations beyond the control of the District. Employees are required to report to work in the event that the District schedules make-up days.
- C. If employees report to work and a decision to close schools is made after that time, those employees will be paid only for the actual hours worked. On such a day, those employees may elect one of the options in section 2.11 for time lost due to the partial school closing.

2.11 Emergency School Closing/Delay Employee Options if the Day/Time is Not Made Up

The following options are available if the district does not reschedule the day/time:

- A. The employee may elect to not be compensated for the day/time school was closed; or
- B. The employee is required to use compensatory time off first, and then may use vacation, PTO or personal day leave time if available.

The employee should notify the District on the next school day after the day school is closed, begins late or is dismissed early, for an emergency as to which option the employee wishes to select.

2.12 Attendance at Meetings

The District retains the right to temporarily fill vacant positions at its discretion during the posting and selection period. Vacancies will be posted on the **District's website**. The notice shall include the date of posting, the job requirements, classification, a description of the position available, the tentative work hours of the position, the rate of pay for the position, and the qualifications required for the position.

Requests for vacation time shall normally be made and approved at least five (5) working days prior to taking such leave, however, vacation time requested with less than five (5) working days' notice may be approved by the District Administrator and/or his/her designee. No employee may be denied the ability to take all of his or her accrued vacation during a 12-month period, but the District Administrator and/or his/her designee will have the right to schedule vacations on a first-

come, first-served basis, as necessary to accomplish work objectives. All vacations shall be taken during the school vacation months except by special arrangement with the immediate supervisor or his/her designee.
