

STARTING YOUR CHILD'S THERAPY JOURNEY

ABA THERAPY, SPEECH THERAPY, & DIAGNOSTIC SERVICES

1 Fill Out Our Intake Forms

Scan the QR code to tell us about your child. This helps us understand their needs & support you from the very beginning

2 We'll Give You a Call

Our team will reach out to answer your questions, walk you through next steps, & offer a tour of our clinic

3 We Handle the Referral

We'll take care of the referral by reaching out to your child's pediatrician directly

4 Let the Journey Begin

We'll set up an intake interview with one of our clinicians & get your child's assessment started
