DUAL ENROLLMENT/ COLLEGE IN THE HIGH SCHOOL

The dual enrollment program is for high school juniors and seniors with an overall B average and who are Keystone or PSSA proficient. Eligible students may take college-level, credit-bearing courses, that will count towards their high school graduation requirements at a rate of one, 3-credit college course to one high school credit and start accumulating college credits before graduating from high school.

Postsecondary grades will be transferred to the student's high school transcript. The College letter grade will be listed and is considered a transfer grade that is not used in the calculation of GPA.

Students must earn a grade of C or better to be eligible to participate in the dual enrollment program in succeeding years. Applications and more details for the program are available in the high school Student Service Center or go to - www.clarion.edu. Jump Start is a similar program offered through Clarion University at a discounted rate. Please stop by or call the Student Service Center for more information at (814)-676-2771, Ext. 2047.

College in the High School courses are taught by certified high school teachers who have a master's degree or the master's equivalency and have been certified as adjunct faculty members by the University of Pittsburgh at Bradford. High school teachers work throughout the year with Pitt-Bradford faculty member liaisons, and earn high school credits and college credits concurrently. Please see <http://www.upb.pitt.edu/chs/> for more information or call Student Services for more info at 676-2771.

MARKING SYSTEM

The following numerical grading scale is used according to the following standards:
(Grade reports are for a period of nine weeks - 4 reports per year)

A - 90 to 100	D - 60 to 69
B - 80 to 89	F - 59 and below
C - 70 to 79	Inc. - Incomplete

The yearly average for courses will consist of the 4 marking periods and the final exam, which accounts for 10% of the final grade. *Final Exams are mandatory for all students.*

CREDITS and GRADUATION REQUIREMENTS FOR ALL STUDENTS

- Earn 24 credits, which must include:

4 credits – English	3 credits – Social Studies
4 credits – Mathematics	3 credits – Science
Health (.5 credit)	Physical Ed Unit (.5 credit) - Each year
FACS (.5 credit)	Careers Exploration (.5 credit, not req'd. of VTC)

(All students must carry a minimum of 6 1/2 credits each year)

- Complete the Graduation Project requirements:
(<https://sites.google.com/a/mail.ocasd.org/gradproject/>)
- Special needs students must meet IEP goals
- An eligible student who satisfactorily completes a special education program developed by an Individualized Education Program shall be granted a high school diploma by the school district. This applies if an eligible student's special education program does not otherwise meet all requirements of Chapter 14.
- Any student who takes Algebra I, Biology or 10th Grade English (or 9th grade Accelerated English) must take the corresponding Keystone Exam in that subject area. Students must be proficient on these exams OR beginning with the Class of 2017, students not proficient, must complete a project based assessment for each Keystone exam module.

HONOR ROLL/PRINCIPAL'S LIST

Honor Roll – A student must have a GPA of 80% or higher in all subjects.

Principal's List – A student must have a GPA of 90% or higher in all subjects.

(Incomplete grades bar students from the Honor Roll and Principal's List).

CLASS RANK

Class rank will be based on all course grades earned at Oil City Area Senior High School except those earned in Physical Education, Health, Keystone Exams, Graduation Project, Drivers Ed and Mentoring. These computations are made at the end of first semester and at the end of each year.

Starting with the class of 2026, one Valedictorian and one Salutatorian will be selected from each class based upon cumulative Quality Point Average beginning in 9th grade up to and including the fourth marking /grading period of his/her 12th grade year.

The graduating classes of 2023, 2024, and 2025 must continue to complete the Academic Program, which must include: 2 years of a lab science, 3 years of a foreign language, Academic Modern Critical Issues: Post WWII to Present, Accelerated/AP English Classes and Calculus to be eligible for Valedictorian and Salutatorian.

Students with a 90% GPA or better (not rounded to 90) will be designated to graduate with Distinction. To qualify for Honors, a student must achieve a minimum GPA of 80% but not qualify for Distinction. *To be eligible for these awards, a student must attend OCHS at least four semesters immediately prior to graduation.
