

### Getting Login Credentials

**Step 1:** Login to your Parent Connection account: <https://mistar.oakland.k12.mi.us/ostc/parentportal/>

MUST USE the URL ABOVE to MISTAR. If you used MISTAR in another school district do not use their URL.

You will receive an email with subject line: "ParentConnection Update" with your temporary password.

**Step 2:** Once you are logged in, on the left side click on the "Network Login" area to see detailed information. You will see your student network password email address.
