Dear Mr. Medes,

Please consider the following information as fulfillment of the Public Records Request received by the Emmett School District on September 3, 2025.

The request was for board minutes for the time period January 20209 to August 2019, including a quote by the Emmett School Board: *"The district will immediately post the position of superintendent as open and will actively seek out the best qualified person seeking to make student achievement a top priority to lead the district into the future."*

Attached, you will find a PDF of the original request. Also included is a PDF of the Emmett School Board meeting minutes from the June 12, 2019, school board meeting, which includes fulfillment of your request.

Please let me know if you have any questions or require any further assistance.

Have a great day!
