What is NHS? It is MORE than just an honor roll!

While NHS student membership is the true mark of academic achievement, it goes far beyond a report card. All student members must also reflect the program's respective pillars to be inducted—ideals such as scholarship, service, leadership, and character—and they must continue demonstrating these pillars within their community throughout their membership.

NHS encourages student achievement

NHS students should:

- promote positive school environment
- be leaders on campus
- role model academic success
- encourage the success of their peers
- engage in service to the benefit of their school and community
- work on their future readiness for both college and careers

National Honor Society Pledge

I commit to uphold

the high purposes of the National Honor Society

to which I have been selected;

I will be true to the principles of NHS

and will maintain and encourage high standards

of scholarship, service, leadership, and character

Who can join NHS?

- NHS is a service club on campus that is open to 11-12th grade students.
- The minimum GPA for membership in NHS is 3.25.
- Students must demonstrate an interest in service and participation in their school and/or community.
- Students must meet the minimum scores for teacher recommendations to be approved for membership.

How do I join NHS?

- All GPA eligible students will be sent an invitation to apply in February of their 10th grade year.
- If a student misses applying in 10th grade, they may apply in February of their 11th grade year by picking up an application from the club advisor.
- All students approved for new membership are inducted in a ceremony in April each year.
- Inducted members continue in NHS until graduation if they meet the annual requirements.
- Transfer students that were members of NHS in their previous school are approved for membership in the CHS chapter once proof of membership induction is received.

NHS Graduation Stole

Students in good standing with NHS after the 1st semester of their Senior year will earn an NHS Honor stole to wear at graduation.
