Joseph Bordeau, Principal

Jacqueline Love, Assistant Principal

Dear Parents/Guardians,

The State of Connecticut mandated hearing screenings will be performed in your child's school in the upcoming weeks. All screenings done at the school are documented and those requiring a follow-up or referral will be sent home to families. The screening is free of charge and will be conducted using the Pure Tone Audiometric device by the school nurse and health assistant.

The purpose of audiometric screening is to identify students with potential hearing loss and refer for treatment or intervention.

Objectives:

1. To identify and refer for medical and audiological follow-up those students who do not pass the audiometric screenings.
2. To document follow-up medical and/or audiological evaluation, possible treatment or intervention.
3. To refer students with an identified hearing loss to the school early intervention team for monitoring and accommodations if necessary.

Hearing screenings are provided for all students in **Kindergarten, First, Third, and Fourth** grades unless the student has a normal screening on file within the last year from a medical provider.

If you **DO NOT** want your child included in the screening please send in a written request for exemption to the school nurse by **Monday, October 13, 2025**.

If you have any questions or wish to send an exemption please use the information below to contact the school nurse.

Sincerely,

Sarah McEwen, RN
