FACTS

- As for fundraising they have a booster club which sells any type of food at footba games to help fundraise for anything to do with football. Not only that they also sell CCHS merch and some profits go to football.
- As for our social media Accounts anything to do with our football team is all posted on instagram and all social media platforms even if they happen to change the days for games they are always on top of it and immediately informing our followers.
- If we ma it to a championship then we would revive a ring
- all coaches are very involved and will be strict if necessary.
