

Chromebook Repair/Replacement Costs

Unless deemed otherwise by school administration, repairs will be addressed as follows:

- **First Repair** - The Information Services Department will repair. No cost to parents.
- **Second Repair** - Parents will be billed by the Information Services Department after repairing the device. Below is a chart of the maximum cost that could be invoiced per part.
- **Third Repair** - Parents will be billed for a new Chromebook purchase.

Chromebook Part	Cost Per Part
Battery	\$161.00
Broken/Scratched Screen	\$215.00
Case (includes keyboard & trackpad)	\$70.00
Charging port	\$40.00
Motherboard (requires new Chromebook)	\$530.00
USB internal board	\$15.00

Unless deemed otherwise by school administration, if a Chromebook or one of its accessories is lost, stolen, or completely irreparable, the parent/guardian is responsible for the cost. The chart below reflects the maximum cost that could be invoiced per part. At their option, Parents/Guardians can purchase an insurance policy to cover **certain costs** that parents/guardians may need to pay.
