

John F. Kennedy Middle School – September 3, 2025

JOHN F. KENNEDY BEARS

Good afternoon, Families,

Thank you for taking the time to read this newsletter. As always, please reach out with any questions.

First Day of School

Student schedules are live via the student portal. Please review your child's schedule. It is extremely helpful for all students to know the name of their homeroom teacher. Upon entering the building, all students will report to their homeroom. They will then have time to set up their locker, receive their Chromebook, and review important procedures. Additionally, we will have signage and staff guiding students to their homerooms.

Pick up/Drop off

School begins at 8:00 AM. All students riding the school bus and walkers will enter through the middle school front entrance. Any student who is dropped off should enter in the back of the school. Students should NOT be dropped off in the front bus loop/parking lot. This is a safety hazard and creates a delay for bus drivers attempting to exit the parking lot and begin their next route. The school day ends at 3:08 PM. Students riding the bus and walkers will exit through the middle school front entrance and board their bus. Any student who is picked up should exit from the back of the school and meet their family member.
