

MOORPARK UNIFIED SCHOOL DISTRICT

Dear Parents/Guardians:

NEW STUDENT REGISTRATION

All new Transitional Kindergarten through 8th grade student registrations for fall 2025 are to be completed online at www.mrpk.org/enrollment beginning Tuesday, January 21, 2025. Instructions for completing the online registration can be found on the District's website. For assistance with the registration process, please call the District's Enrollment Center at (805) 378-6300, ext. 1525, between the hours of 9:00 a.m. to 4:00 p.m. (hours are subject to change so please check the district website). Parents are asked to register their children as soon as possible once registration begins so that the District can plan for teacher staffing. Once a school has reached capacity, new enrollees may be assigned to another school according to seats available; early registration is strongly encouraged.

To register new students, parents will need to upload: proof of birth, proof of residency, immunization record, and a copy of a driver's license or state issued photo ID. A dental checkup *before May 31, 2026*, will be required before students start school for the first time. Limited exemptions may apply, please contact your school's health office.

Students born between July 1, 2020 and September 1, 2020, are eligible for either Transitional Kindergarten/TK or Kindergarten. Students born between September 2, 2020 and September 1, 2021 are eligible for TK and will be enrolled as space permits. **Please note that TK is a 2-year program that includes one year in transitional kindergarten and one year in kindergarten. Kindergarten students must be 5 years old by September 1, 2025 (no exceptions).**

OPTIONAL – APPLICATION FOR SCHOOLS OF CHOICE

“Schools of Choice” refers to the fact that Moorpark Unified has six excellent elementary schools, each with a unique focus area. Each school offers specialized curriculum and options to meet the needs and interests of students and their parents.

During the open enrollment period of January 21 through February 21, 2025, you may apply for admittance of your child to a school outside of your attendance area. The application and guidelines for Schools of Choice are available on the District website at www.mrpk.org/enrollment. Digital applications will be available until February 21, 2025. Any late applications may be dropped off in the lock box at the MUSD Enrollment Center.

For NEW students in grades Transitional Kindergarten to 5th, the application for Schools of Choice will be considered only if you have completed the registration process for your child.

For CURRENT students – If you are interested in having your child attend a school outside of their regular attendance area, you may apply by completing the Application for Schools of Choice form only.

If your child was approved for a school of choice transfer during the 2025-26 school year, you do not need to reapply to remain at the same school for subsequent years. For example, a 4th grade student at Arroyo West School attending under a school of choice transfer need not reapply to attend 5th grade at that school.

It should be noted that the District retains the authority to maintain appropriate diversity. Final decisions will be made on space availability at each school site and the need to maintain diversity throughout the District.

INFORMATION NIGHTS

Parent Information Night presentations will be offered both at Walnut Canyon Elementary on Tuesday, January 21, 2025 – 6:00 pm English/7:00 pm Spanish and at Flory Academy on Wednesday, January 22, 2025 – 6:00 pm English/7:00 pm Spanish. Contact the school for tour information.

SCHOOL TOURS

Tours for TK-5th grade will be offered at all six elementary schools at 9:00 AM on January 21st, 30th & February 4th, 2025. Information for school tours will be posted on each of the elementary school websites. Contact the school office to sign-up. Please note that although specialized programs may vary from site to site, each school prides itself in maintaining a high-quality academic core program.

TRANSPORTATION

Parents must provide transportation for attendance at a school outside their attendance area boundary.

Sincerely,

Dr. Melissa La Belle
Assistant Superintendent,
Instructional and Support Services
