Personnel Assignment and Transfer

Certificated staff accepting employment with the District agree to accept the building assignment of the Superintendent of Schools. Staff will not be assigned where they would be under the direct supervision of a member of the employee's immediate family (father, mother, son, daughter, sister, brother, or spouse).

Certificated staff transfers may be initiated by administrative directive or by staff request. In order to facilitate awareness of opportunities, the Superintendent/designee will post vacancies on bulletin boards in each school. The decision concerning filling of the vacancy or new positions by transfer will be made by the Superintendent in consultation with the building principals affected.
