ARTICLE I - PROFESSIONAL NEGOTIATIONS

1.01 Preamble

To provide the best education for the students of Manhasset, the Board of Education of the Manhasset Union Free School District and the Manhasset Education Association join in recognizing the important role the professional staff plays in the development of sound educational policy.

1.02 Definitions

As used herein:

A. "Teacher" means a member of the negotiating unit defined below, including teachers employed on a regular basis for less than a full schedule, and paid pro rata.

B. "Certified" refers to both permanent and provisional certificates including those approved on an emergency basis.

C. "Board" means the Board of Education of the Manhasset Union Free School District, Nassau County, New York.

D. "Association" means the Manhasset Education Association.

1.03 Appropriate Unit

The appropriate employer-employee negotiating unit in accordance with Article 14 of the Civil Service Law to which the Agreement applies consists of all certified personnel, including all regularly employed part- or full-time classroom teachers, counselors, school psychologists, library/media specialists, special teachers, (except as otherwise provided below), but excluding teacher assistants and all personnel having supervisory duties, namely the Superintendent, the Assistant Superintendents, Principals, Associate and Assistant Principals, Administrative Assistants, Directors and Coordinators and all other District employees.

1.04 Priority of Agreement

A. The Association recognizes that under the law, the Board of Education has the final responsibility for establishing policies for the District consistent with the Laws of the State of New York and for their administration.

B. Any agreement reached through the negotiations process provided by Civil Service Law shall be binding upon both parties for the duration of the Agreement, except when such agreements are in conflict with the law.

C. It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefor shall not become effective until the appropriate legislative body has given approval.

D. This Agreement will supersede any rules, regulations or practices of the Board and/or Administration which will be contrary to or inconsistent with its express terms.

1.05 Purposes

Both the Board and the Association recognize that the education of children is their mutual paramount consideration and that the education of children should be a continual process without interruption. The Association affirms that it will abide by Section 210 of the Public Employees' Fair Employment Act and the Laws of the State of New York in general.

1.06 Professional Personnel

A. In the development of rules, regulations and arrangements for the operation of the school system, the Superintendent shall include at the planning stage whenever feasible those employees who will be affected by such provisions.

B. The Superintendent shall evolve with the employees' channels for the ready inter-communication of ideas and feelings regarding the operation of the schools. He/she shall weigh with care the counsel given by employees, especially that given by groups designated to represent large segments of the staff, and shall inform the Board of all such counsel in presenting reports of administrative action and in presenting recommendations for Board action.

1.07 Validity of Provision

If any provision of the Agreement is or becomes invalid or legally unenforceable, all other provisions of the Agreement shall nevertheless continue in full force and effect, and the parties will meet forthwith upon request to negotiate substitute terms for such invalid or unenforceable provisions.

1.08 Maintenance of Standards

Salaries and conditions of employment as defined in Article 14 of the Civil Service Law in effect prior to the Agreement and not covered by this Agreement will not be reduced without good cause during the term of this Agreement.

1.09 Areas of Negotiations

The representatives of the Association and the Board shall meet for the purpose of reaching mutually satisfactory agreements on any matter affecting the terms and conditions of employment, pursuant to Article 14 of the Civil Service Law.

1.10 Information

The Board and the Association shall, within reason, make available to each other recommendations, data, and information in their possession which are directly pertinent to a topic under negotiation.

ARTICLE II - STATUS, RIGHTS AND PRIVILEGES OF THE ASSOCIATION

2.01 Association Time

A. Duly designated representatives of the Association shall be free to transact official Association business directly related to the administration of the Agreement on school property during the school day, providing there is no interference or conflict with assigned teacher responsibilities and duties.

B. Should scheduling conflicts exist, the Building Principal will arrange for release from assignment as soon as possible thereafter. In developing the teaching schedule of the President-elect prior to the opening of the school year, the Building Principal shall schedule the President for no more than fifteen (15) teaching periods per week and no duties.

The Association agrees to hold the Board harmless against claims arising out of the deductions and/or transmittal of dues where there is a final adjudication by a court or arbitrator or by PERB that said dues should not have been deducted and/or transmitted by the Association.

B. Unit members seeking to withdraw from the Association must notify the Association of the same. The dues deduction authorization shall remain in effect until no later than the second payroll following the Board's receipt of written notice from the Association advising the Board to cease deducting dues from the unit members.

B. The District will notify the Association of the hire and starting date, building assignment, and job title of all new unit members within fifteen days of being employed, and the Association President or designee will be granted a reasonable amount of time to meet with the member (not to exceed one hour), provided that such meeting shall be scheduled in consultation with the appropriate supervisor.

C. The Association shall certify to the District the names of its authorized representatives (and their alternates, if designated) and the District shall recognize no others.

ARTICLE III - TEACHERS' BENEFITS AND RESPONSIBILITIES

3.01 Curriculum Development

Recognizing the important role the professional staff plays in the development of education policy, the Board agrees to give full professional consideration and study to proposals and suggestions for improvements in curriculum, staff development, and teaching methods and facilities received from the teaching staff. When a proposal endorsed by the Association is submitted to the Board's representatives, this proposal will be reviewed and a written reaction will be forwarded to the President of the Association.

3.02 Supervision

A. All classroom teachers, all special instructional personnel, and all special non-instructional personnel assigned to a school will be primarily responsible to the principal of that school. Special personnel who are assigned to more than one (1) school will be primarily responsible to the principal of the school in which they are working at a particular time. Appropriate central office personnel will be available to discuss any problems which may arise with persons who work in more than one (1) school.

B. In the event that the District's current organizational chart and lines of responsibility are revised by the Superintendent, he/she shall do so after written notice of such change to the personnel involved and the Association.

C. A teacher will have the right to have an Association member present at any meeting involving disciplinary proceedings.

3.03 Transfers and Advancements

A. Prior to the establishment of a new position or significant restructuring of a present position or positions, at least seven (7) calendar days' notice will be given to the President of the Association or his/her designated representative except when it is not practical to provide such notice, such as during the summer. No vacancy or new position in the administrative or teaching capacity in the District, whether or not within the bargaining unit, will be filled until the President of the Association or his/her designated representative has been given adequate notice of such vacancy and opportunity given for teachers to make application for such vacancy. Notice of such vacancy shall contain the basic requirements for consideration of the position. If such requirements are subsequently

changed, adequate notice of the change shall be made simultaneously to the President of the Association and to all candidates.

B. Involuntary transfers shall be made after prior notice and the opportunity for the teacher involved to consult with the Superintendent.

3.04 Professional Assistance

It shall be the responsibility of the District to relieve the professional teaching staff of non-teaching assignments and clerical duties to the extent consistent with sound educational practice and available financial and personnel resources. The necessary supporting assistance will be provided to assure such relief.

3.05 Non-teaching Duties

A. New (i.e., not heretofore required) permanent non-teaching duties or responsibilities shall be added to the existing professional obligations of the teaching staff only after submission with prior notice to the Association through existing channels to the appropriate faculty group. In the event agreement is not reached by the faculty group concerned, the matter may be submitted for negotiation. Such negotiation, if needed, shall take place as soon as possible in order to implement whatever agreement is reached.

B. Teachers shall be employed for supervision of the secondary school cafeteria during lunch periods. They shall receive compensation as listed in Schedule C. In the event volunteers are not forthcoming, supervision shall be assigned on a rotating basis with compensation.

3.06 Personnel Files

An Official Personnel File will be maintained in the Superintendent's Office for each teacher in the District. This file will be divided into two (2) sections. One section will contain confidential information received from school placement offices, previous employers or other references. The second section will contain all other material to be included in the Official File, such as official evaluations and correspondence from members of the community.

This second section will be subject to review and response by the teacher involved. No material adverse to a teacher will be placed in the second section of the Official File unless the teacher has prior notice thereof. Any response filed by a teacher after reviewing same must also be included in the file, but no implication of any kind shall be drawn from failure to make such response. When a teacher requests a review of his/her Official File, such review will, under normal conditions, take place within a period of ten (10) days. Subject to reasonable procedural requirements, a teacher shall

have the right to review his/her Official File during the normal school day and to request a copy of any document in the file.

3.07 Teacher Supervision and Evaluation

All individuals covered by this contract may be formally evaluated annually, in accordance with the procedures affixed to this contract as Schedule E, except as provided herein.

3.08 Service Credit - Military Service

Credit on the salary schedule for military service shall be given to all teachers, including present teachers, for the length of such service, up to a maximum of three (3) years, with additional credit for longer military service that has specific professional value to be granted at the discretion of the Board of Education, upon the Superintendent's favorable recommendation.

3.09 Workshop Attendance

A. When a workshop program has been approved by the Superintendent or his/her designee for service credit on the salary schedule, such credit will be given to all teachers completing that workshop. There shall be no limitation or quota with respect to such credits in the attainment of any salary step on the teacher's salary guide.

The full cost of workshops operated and provided by the District shall be paid by the School District.

Notice shall be given to each member of each workshop specifying credit given and the current status of salary credits within forty-five (45) working days of the completion of a workshop.

B. Whenever District-mandated programs involve training that takes place at times other than the regular school day, each participating teacher will be given the option of receiving in-service salary guide credit or \$53.00 per hour in the 2024-2025 school year, \$54.00 per hour in the 2025-2026 school year, and \$55.00 per hour in the 2026-2027 school year, and \$56.00 per hour in the 2027-2028 school year.

C. Participation in approved Teacher Resource Center sponsored workshops will carry one (1) TRC credit for each hour of participation. Fifteen (15) such credits will be equivalent to one (1) salary guide credit on all salary columns.

3.10 Defense and Indemnity

The Board of Education shall save harmless and protect all teachers from financial loss arising out of any claim, demand, suit or judgment by reason of alleged negligence or other act resulting in accidental bodily injury to any person, or accidental damage to the property of any person within or without the school building, provided such teacher at the time of the accident or injury was acting in the discharge of his/her duties within the scope of his/her employment and/or under the direction of such Board of Education.

Further, the Board of Education shall provide an attorney or attorneys and pay for such attorney's fees and expense necessarily incurred in the defense of a teacher in any civil or criminal action or proceeding arising out of disciplinary action taken against any pupil of the District while in the discharge of his/her duties within the scope of his/her employment, provided the teacher shall within ten (10) days of the time he/she is served with any summons, complaint, process, notice, demand or pleading, deliver the original or a copy thereof to the Board of Education.

The Board will make available its attorney for consultation with a teacher who has been assaulted.

The District shall reimburse teachers for damages to personal property, excluding automobiles, incurred in a physical altercation while the teacher was acting in the discharge of his/ her duties within the scope of his/her employment up to a maximum of \$632 per teacher per incident.

3.11 Calendar

A. The school calendar shall provide for one-hundred eighty-five (185) workdays for teachers, at least one hundred eighty-one (181) but no more than one-hundred eighty-three (183) of which shall be instruction days for pupils.

To the extent there remains at least one unused snow day in a given school year by May 1st, one day shall be added as a paid holiday the Friday before Memorial Day. To the extent that the Friday before Memorial Day is already a paid holiday in the official school calendar, the Tuesday following Memorial Day shall be designated as a paid holiday. After the District has used its two (2) weather-related emergency conditions closure days, teachers shall provide remote instruction from a non-school location for their students. Such remote instruction shall be in accordance with the applicable Commissioner of Education Regulations. The MEA does not waive its ability to demand

to negotiate the impact of any remote instruction. The parties agree to establish a labor-management committee to address potential issues relating to remote instruction.

The yearly calendar shall be developed jointly by a representative of the MEA and a representative of the Superintendent. This calendar committee will recommend how the two (2) additional days in the calendar for each year shall be used. They may be used for instruction, in-service training, parent conferences and/or a Superintendent's conference day. If the representatives are unable to agree on a calendar by April 15 of the prior school year, the Superintendent shall develop the calendar, which shall not be subject to grievance and arbitration.

One (1) of the days may be a parent contact day starting at 6:00 p.m. and extending until 9:00 p.m. In this event, parents may make appointments to confer with individual teachers. Teachers would not be required to be in school until 6:00 p.m.

One (1) Superintendent's Conference Day shall be scheduled after April 15 and will become a teaching day if a day is lost due to inclement weather.

B. The first day and the last two (2) days of school shall be half days for elementary school students. The last day shall be a half day for teachers. Effective with the 2025-26 school year, the first day of school shall be a full day, and the last two (2) days of school shall be half days for elementary school students. The last day of the school year shall be a half day for teachers. Effective for the 2025-26 school year, and continuing each year thereafter, the District shall collaborate with the MEA to develop at least one of the Superintendent's Conference Day held prior to the start of the school year. Absent extenuating circumstances (e.g., COVID pandemic), this day shall include teacher-directed time not less than half the school day, to assist members to fulfill professional responsibilities in preparation for the start of the school year. Teacher-directed time may be used for tasks such as including, but not limited to, classroom set-up, Chapter 408 meetings, Canvas page setup, compliance training, curriculum alignment, and collaborative tasks.

C. The District may designate one (1) or two (2) full days per school year, at least one (1) of which shall be in the fall semester, for elementary school parent conferences.

D. Special Education teachers who have eighteen (18) or more children classified as handicapped students will have two (2) days' release time to carry out state-mandated and other duties.

E. Newly hired teachers subject to the February 2004 Commissioner's Regulations on in-service responsibilities, 8 NYCRR 80-3.6, shall attend up to three (3) pre-school

year orientation/professional development days. Second year teachers shall have a separate orientation/professional development program of up to two pre-school year orientation/professional development days.

3.12 Supporting Professional Personnel

Recognizing the importance of supporting professional services for the learning process, every effort will be made to provide personnel such as reading and speech specialists, guidance counselors, psychologists, special subject teachers and other specialists.

Proposals can be made by the teaching staff for the addition of supporting professional services personnel through existing professional channels as outlined elsewhere in this contract.

3.13 Central Register

A system of central attendance keeping will be continued on a uniform basis for all schools.

3.14 Class Size

However, it is agreed that the above may not apply to other innovative programs that call for special class sizes and patterns. Any changes in class size resulting from such innovative programs will be made only after consultation with the teachers involved.

3.15 Teaching Load

A. The District will make every reasonable effort to insure equitable distribution in the assignment of classes and other duties.

B. 1. The secondary school teacher week shall average thirty (30) assigned periods of which no more than twenty-five (25) may be assigned as classroom teaching periods and no more than five (5) may be assigned as non-teaching duty periods. It is understood that teaching duties such as supervision of media rooms, learning centers, remedial and enrichment education, team planning time, and other related activities may be substituted for non-teaching duty periods.

2. No more than four (4) consecutive duty periods shall be assigned to a teacher.

3. The teacher daily student load in the academic subjects shall not exceed one hundred forty (140), except in General Science where the daily student load shall not exceed one hundred thirty-five (135).

4. Teachers with four or more academic preparations will be assigned a maximum of twenty-five (25) periods per week.

C. 1. Teachers in grades K-6 will receive an average of five (5) preparation periods per week. The length of time of these preparation periods shall correspond to the length of

time provided for instruction by specials, and to the extent it is possible to do so, the intent is to equalize those preparation periods to one (1) per day.

2. While the Interdisciplinary Team Program remains in effect in sixth grade, the District shall designate one (1) additional parent conference day for fifth and sixth grade teachers, which shall be used for additional parent conferences, team planning time, additional preparation time, and additional team time to consult with guidance counselors and other specialists. If the District implements a middle school program for the fifth or sixth grade, terms and conditions of employment for such teachers shall be subject to a negotiations reopener.

D. Elementary school teachers will have a break of ten (10) minutes after three (3) consecutive hours of supervision of students.

E. Whenever the District is unable to provide such preparation periods in the elementary schools or, subject to Article 3.17(B), if a teacher substitutes for another in the secondary school, the District shall compensate teachers at the rate of \$48.00 per period for each such period missed in the 2024-2025 school year, \$49.00 per period for each such period missed in the 2025-2026 school year, and \$50.00 per period for each such period missed in the 2026-2027 school year and \$50.00 per period for each such period missed in the 2027-2028 school year. In the case of elementary teachers, the rate in effect each applicable year is applicable when a teacher misses a preparation period in order to cover the class of an absent colleague. In the case of secondary teachers, the rate in effect each applicable year is applicable when a teacher misses a preparation, lunch or professional period in order to cover the class of an absent colleague. Teachers will not be compensated for prep time lost while on field trips or other legitimate released time activities.

F. The length of the elementary school lunch period, which is duty free, shall be fifty (50) minutes.

3.16 Administrators

Any tenured teacher who accepts a probationary appointment as an Administrator shall be given a leave of absence from his or her tenured teaching position for the duration of his/her probationary period, with the understanding that he/she can return to teaching at the District's or his/her option, at the beginning of any school year or the expiration of the leave of absence.

3.17 Teacher Responsibilities

A. It is understood that many teachers' responsibilities are not limited to hours on school premises. It is also understood that teachers will be on premises as reasonably necessary before and after the school day to meet their professional responsibilities. Teachers are expected to respond and assist in the control and supervision of students when problems arise at any time when the teacher is on school property or on a field assignment.

B. The MEA will encourage its members to cooperate with Administrators for emergency coverage of classes within their department. No member will be expected to cover more than two (2) such classes during the year without additional compensation as provided in Article 3.15(E). Teachers who volunteer to cover more than two (2) such classes, or who cover classes outside their department or in non-emergencies shall be paid as provided in Article 3.15(E). Emergency coverage will be defined as that needed for teachers who will be absent for two (2) periods or fewer.

C. Regular elementary classroom instruction time shall be six (6) hours twenty-three (23) minutes in grades 1 and 2, and six (6) hours twenty-eight (28) minutes in grades 3 through 6. The total teacher day for all elementary teachers shall be six (6) hours and forty (40) minutes, from not earlier than 8:00 a.m. to not later than 3:30 p.m., except as provided in Section 3.17(F).

Student dismissal time for grades 1 and 2 shall be five (5) minutes earlier than for students in grades 3 through 6. Teachers in grades 1 and 2 will receive the same average preparation time per week as do teachers in grades 3 through 6 in the same school. The provisions of this paragraph concerning grades 1 and 2 shall also apply to Kindergarten should the District adopt a full day Kindergarten plan.

Notwithstanding 3.17 (G) and (H), one day per week, at the teacher's discretion, teachers shall be available for thirty (30) consecutive minutes for professional duties including extra help for pupils. This 30-minute period is in addition to the regular teacher workday. The extra help period may be scheduled before or after school, beginning with the third full week of school in September, and scheduled in advance with notice to students and in consultation with the teacher's immediate supervisor. However, if a school week has two or more days when school is not in session, no extra help session will be required in that week except if a test is scheduled for the following school day. For those unit members who teach at the elementary level, no extra help sessions will be required during the month of June except in weeks when exams are scheduled.

D. The normal secondary school teacher day shall be seven (7) hours, from not earlier than 7:30 a.m. to not later than 3:30 p.m., including a five (5) minute extension to period one for attendance taking and other activities, with the exception of some special classes such as Driver Education and the Marching Band.

Notwithstanding 3.17 (G) and (H), one day per week, at the teacher's discretion, teachers shall be available for thirty (30) consecutive minutes for professional duties including extra help for pupils. This 30-minute period is in addition to the regular teacher workday. The extra help period may be scheduled before or after school, beginning with the third full week of school in September, and scheduled in advance with notice to students and in consultation with the teacher's immediate supervisor. However, if a school week has two or more days when school is not in session, no extra help session will be required in that week except if a test is scheduled for the following school day.

E. Secondary teachers may be assigned a schedule that begins up to 45 minutes before the regularly scheduled school day or ends up to 45 minutes after the regularly scheduled school day ends. In no case will a schedule be created that exceeds the length of the school day already agreed to in Section 3.17(D). In the event that such a schedule becomes necessary, volunteers will be sought first, and only if no appropriate volunteer exists will this schedule be assigned to a teacher.

F. Notwithstanding the provisions of Articles 3.17(C) and (D), guidance counselors, library media specialists, psychologists and social workers may be assigned, without increasing the length of their total teacher day of 6 hours 40 minutes on the elementary level or 7 hours on the secondary level, to work a flexible schedule. Implementation of the schedules shall occur following consultation and agreement, which shall not be unreasonably withheld, among the affected employees and/or a representative of the MEA and the District. These schedules may commence not earlier than 7:00 a.m. and end not later than 5:00 p.m. or, on not more than two occasions per month, 7:00 p.m. Where possible, notice of the following semester's flexible schedules shall be provided by the District by not later than June 15 for the fall and November 15 for the spring semester. Other modifications to the adopted schedule may be made on consent of the District, teacher and Association.

G. In the elementary school, with the exception of September, all meetings shall be held on Monday. This includes two meetings a month that may be for faculty, grade level meeting, or any other meetings called by the administration. However, there shall be no more than one (1) general faculty meeting per month. Joint elementary school full (K-6) faculty meetings will be held only after the District has notified the MEA of its intent to do so and the MEA has agreed to the meeting. The MEA's consent to hold the meeting shall not be unreasonably withheld. The burden of

proof shall be upon the MEA to demonstrate the reasonableness of its refusal to agree to the District's request. This shall not preclude emergency meetings on dates not previously published upon notification to the MEA. On the last school day of each month except June, the building administration shall publish and distribute an agenda for the next month's general faculty meeting(s) (inclusive of topics and personnel whose attendance is required). On the last day of each week, the building administration will publish and distribute a complete agenda for the meetings scheduled for the following week. In the event the published schedule cannot be followed there will be no meeting. Meetings will begin no later than thirty (30) minutes after the end of the last scheduled class in that building and will continue for no more than one (1) hour unless extended by mutual consent.

ARTICLE IV - COMPENSATION AND BENEFITS

4.01 Group Health Insurance Plans

A. Any new employee who works at least halftime and/or meets the State minimum requirements on a regular assignment may choose any one of the District health insurance plans on the first day of employment or within thirty (30) days thereafter without medical examination. Any employee applying after thirty (30) days may have to furnish proof of insurability.

B. The District shall pay 76% and each member shall pay 24% of the cost of the member's health insurance premiums.

C. The District shall have the option to select an alternative carrier which can provide benefits comparable to the Empire Plan at the time of the change, upon thirty (30) days' notice to the Association. In the event there is any issue or dispute between the District and the Association as to the comparability of the alternative carrier's plan, either party may submit the issue to arbitration, within such thirty (30) days, in accordance with the procedures of sections 5.04(D) and 5.05 of this Agreement. In the event that the matter is submitted to arbitration, the District shall not change carriers until the arbitrator has ruled.

Nothing contained herein shall preclude a member from re-entering the plan or resuming family coverage in accordance with the carrier's rules within the twelve (12) month period, provided, however, that in the case of a member who re-enters in less than twelve (12) months, no declination payment shall be made.

F. 1. Members of the unit may elect a plan no more frequently than once every six (6) months, with the exception that they may elect the Empire Plan with Enhancements or Equivalent under paragraph C at any time. The foregoing is subject to any restrictions of the carrier and of the Empire Plan or Equivalent.

2. Members of the unit who elect a plan pursuant which they may be eligible to receive a portion of the District's cost savings, shall qualify for such payment provided that they remain in that plan for a period of twelve (12) consecutive months. These payments shall be made during December following the end of the twelve (12) month period and shall be made annually each twelve (12) months thereafter provided the member remains in the lower cost and the plan continues to generate premium savings. Nothing contained herein shall preclude a unit member from changing plans as allowed in the first paragraph of this section, provided, however, that in the case of a member who changes plans in less than twelve (12) months no payment shall be made.

Probationary teachers hired on or after July 1, 2016 will receive twelve (12) sick days each year cumulative to forty-eight (48) days. Once these teachers are tenured, they will receive the benefits described in paragraph D below. If a non-tenured teacher exhausts his/her sick leave due to catastrophic illness or accident, he or she may apply to the District for consideration of additional leave. The District shall have sole discretion to grant or deny such additional leave. The decision shall not be subject to the grievance process.

All teachers hired before January 1, 1986

B. Tenured teachers will receive unlimited annual sick leave for short-term illnesses.

C. Disability Benefit

1. In the event of an extended illness or injury, regardless of when in the calendar year it occurs, the unit member will receive full pay for the first one hundred eighty (180) school days.

a. An extended illness or injury is defined as being unable to perform the essential functions of the unit member's job, with or without reasonable accommodations, due to such extended illness or injury.

b. In no event shall such extended illness definition apply to any Workers' Compensation illness or injury. In such cases, the unit member's benefits shall exclusively be those provided under Workers' Compensation law and regulations.

c. In order to receive this benefit, the unit member is required to submit all requested documentation in support of such extended illness or injury, including but not limited to, a comprehensive physician's statement identifying the specific illness which requires such extended absence and the physician's best medical judgment as to the duration of such extended illness or injury. Extended illness or injury shall begin whenever the unit member's physician determines that the unit member must be absent for an indeterminate extended period of time and shall terminate when the

physician determines that the unit member is able to perform the essential functions of his/her job with or without reasonable accommodations.

2. Thereafter, should the extended illness or injury period exceed 180 school days, the unit member will be provided contractual disability payments equal to two thirds (2/3) of his/her gross salary at the time of disability for a period of two years, but not to exceed the following:

Five thousand three hundred twenty-four dollars (\$5,324) per month, and
sixty-three thousand eight hundred ninety dollars (\$63,890) per year.

The District shall have the option to provide the disability benefit via insurance.

3. In order to apply for this contractual disability benefit, a unit member must submit a letter from his/her treating physician identifying the specific illness or injury which renders the unit member disabled, and stating the physician's best medical judgment as to the duration of such disability. In addition, the treating physician must complete and submit to the District the Confirmation of Disability form providing all requested information and certifying that the unit member is unable to perform the essential functions of his/her position with or without reasonable accommodations. (See Schedule F, annexed hereto)

4. Upon receipt of the documents noted above, the Superintendent or designee shall determine if the application for disability benefit shall be granted. As a condition of receiving the disability benefit noted in section D.2 above, the unit member shall provide the District with a signed release permitting the District access to all medical reports relating to the continuation of the disability, including, but not limited to, information submitted to the New York State Teachers Retirement System ("TRS"). Examples include, but are not limited to, the TRS report of its Independent Medical Examiner and periodic updates to the Confirmation of Disability form from the teacher's physician(s).

5. Failure to comply with the above requirements above will result in termination of the contractual disability benefit.

6. A unit member who recovers from an extended illness/injury, or disability within three years from the date the extended illness/injury or disability was determined to exist and who is able to perform his/her essential job functions with or without reasonable accommodation shall have the right to return to a unit position for which he/she is qualified.

7. Nothing herein shall preclude a unit member from applying for disability retirement pursuant to the New York State Teachers' Retirement System.

8. Nothing herein shall limit the District's right pursuant to Education Law section 913 to direct the unit member to submit to a medical examination at any time.

a. If the section 913 physician determines that the unit member is able to perform the essential functions of his/her position with or without reasonable accommodations, the unit member shall be directed to return to a unit position for which he/she is qualified.

b. If the unit member's physician disagrees, a third physician agreeable to both parties shall be consulted, and that third physician's decision shall be binding on the parties. If the parties are unable to agree on a third physician, the parties shall refer to the medical arbitration panel in the appropriate medical specialty, and the parties shall determine a random method of selecting such third physician, whose decision shall be final and binding on the parties.

9. A unit member aggrieved by a determination to deny or terminate this contractual disability benefit shall have the right to grieve said determination in accordance with the provisions of the Grievance Procedure set forth in Article V of this agreement.

Up to a maximum of five (5) days' absence with pay will be allowed when critical illness involves one of the above. Upon consultation with the staff member, the Superintendent will determine the specific number of days to be allowed. Requests for use of a personal leave day shall be in writing and submitted to the unit member's supervisor at least two days prior to the requested leave. In situations where the need for use of a personal leave day is unforeseen, the notice requirement will be waived, but the unit member must provide the reason for the requested leave. Generally, personal leave shall not be granted for any day that extends a three-day weekend, midweek holiday, or school recess period.

Upon the recommendation of the Superintendent, the Board of Education may permit members of the professional staff to take leaves not in excess of one (1) year in length for rest, restoration of health, or the alleviation of extreme or unusual hardship involving themselves or their immediate families.

A maximum of one point salary guide credit will be awarded for each point of graduate course work for master's degree or above, provided that such course work was not included in the computation of credits required for a degree already awarded the staff member. 4.21 Competition

Temporary - A highly desirable incoming person who cannot be attracted by the salary available to him/her on a given step of the Teachers' Salary Guide may be paid a differential of up to One Thousand (\$1,000.00) Dollars per year for a period not in excess of five (5) years, and preferably for a shorter time.

Permanent - A highly qualified person trained for a specific field in which salaries are generally above those provided by the Teachers' Salary Guide may be paid a differential while salaries in the field remain above the Guide.

4.22 Pay Procedures

A. The District will deduct amounts authorized by individual teachers from their pay and remit the amounts deducted to the teachers' accounts in the Nassau Educators' Federal Credit Union within five (5) days of payday.

B. The District shall provide for optional choice of carrier for tax-sheltered annuities.

4.23 Mileage Rate

Reimbursement for use of private cars for school business or for transportation to educational meetings is made at the current IRS rate.

4.24 Trips Within the District by Special Teachers

Car expenses will be paid only when teachers must travel from one (1) building to another within one (1) day and not when they are assigned to one (1) building for a whole day.

4.25 New York City Trips

Teachers attending meetings in New York City will be reimbursed in terms of the cost of transportation by train and subway. Those teachers who drive will be paid the same amount as though they had gone by train, unless one (1) or more other staff members are taken as passengers to the same meeting.

4.26 Student Field Trips

Teachers who accompany students on educational trips by public transportation will be reimbursed for the full amount of the fare. Overnight field trips in activities not otherwise paid on

Schedules B or C shall be paid the same rate as the "Evening Chaperone Supervisor in Charge" (Schedule C) rather than the hourly "School Trip Chaperone" rate.

For the 2025-26 school year, teachers who accompany students on field trips will be reimbursed for transportation and shall be compensated as follows:

- If the field trip includes an overnight, the teacher shall be paid \$216 for each overnight, and up to 6 hours per day at the chaperone rate of \$58.32 during non-school hours.
- The maximum compensation for any field trip that does not include an overnight shall be the field trip chaperone rate of \$58.32 up to a maximum of 6 hours for non-school hours.

For the 2026-2027 school year, teachers who accompany students on field trips will be reimbursed for transportation and shall be compensated as follows:

- If the field trip includes an overnight, the teacher shall be paid \$220 for each overnight, and up to 6 hours per day at the chaperone rate of \$59.49, during non-school hours.
- The maximum compensation for any field trip that does not include an overnight shall be the field trip chaperone rate of \$59.49 up to a maximum of 6 hours for non-school hours.

For the 2027-2028 school year, teachers who accompany students on field trips will be reimbursed for transportation and shall be compensated as follows:

- If the field trip includes an overnight, the teacher shall be paid \$225 for each overnight, and up to 6 hours per day at the chaperone rate of \$60.68, during non-school hours.
- The maximum compensation for any field trip that does not include an overnight shall be the field trip chaperone rate of \$60.68 up to a maximum of 6 hours for non-school hours.

4.27 Prior Approval

Prior approval by Central Administration is required for reimbursement of the above travel expenses.

4.28 Teacher Salary Schedule Bridge

Notwithstanding the provisions of Sections 4.16 ("Initial Placement"), 4.17.A ("Moving to Higher Steps"), and 4.18 ("Transferring to Higher Columns"), teachers whose

employment with the District will commence with the 2014-15 school year or thereafter will be placed on MA Step 1 in their first year, and will progress one step with the completion of each full year of service as defined in Section 4.17A. Such teachers shall not be eligible for transfer to higher columns until after the completion of four full years of service, as defined in Section 4.17A. After the completion of their fourth full year of service, such teachers may transfer to higher columns in accordance with Section 4.18 ("Transferring to Higher Columns"). The District may, in its sole discretion, grant full credit to a teacher with ten (10) years or less full-time teaching experience in schools in cases of in-demand vacancies.

ARTICLE V - GRIEVANCE PROCEDURE

5.01 Purpose

It is the policy of the Board and the Association that all grievances be resolved informally or at the earliest possible stage of this grievance procedure. However, both parties recognize that the procedure must be available without any fear of discrimination because of its use. Informal settlement at any stage shall bind the immediate parties to the settlement but shall not be precedents in a later grievance proceeding.

5.02 Definitions

- A. A "grievance" is an alleged violation of this Agreement or any dispute as to its meaning or application.
- B. A "teacher" is any person in the unit covered by this Agreement.
- C. An "aggrieved party" is the teacher or group of teachers who submit a grievance or on whose behalf it is submitted, the Association, or (when it submits a grievance) the Board.

5.03 Submission of Grievances

- A. Before submission of a written grievance, the aggrieved party must attempt to resolve it informally.
- B. Each grievance shall be submitted in writing on a form approved by the Board and the Association and shall identify the aggrieved party, the provision of this Agreement involved in the grievance, the time when and the place where the alleged events or conditions constituting the grievance existed, and, if known, the identity of the person responsible for causing such events or conditions and a general statement of the grievance and redress sought by the aggrieved party.
- C. A grievance shall be deemed waived unless the subject matter or the question involved has been called to the attention of the District in writing within thirty (30) school days after

the aggrieved party knew or should have known of the event or conditions on which it is based. The period may be extended by mutual agreement.

D. 1. A teacher or group of teachers may submit grievances which affect them personally and shall submit such grievances to the Building Principal.

2. The Association may submit any grievance. If it is limited in effect to one (1) school, the grievance shall be submitted to the Building Principal; otherwise, it shall be submitted directly to the Superintendent of Schools.

3. The Board shall present grievances to the President of the Association.

5.04 Grievance Procedure

A. The Building Principal shall respond in writing to each grievance received. If an aggrieved party is not satisfied with the response of the Building Principal or if no response is received within one (1) calendar week after the submission of a grievance, such aggrieved party may submit a copy of the grievance to the Superintendent.

B. The Superintendent or his/her designated representative shall, upon request, confer with the aggrieved parties with respect to the grievance and shall deliver to the aggrieved parties a written statement of his/her position with respect to it no later than two (2) weeks after it is received by him/her.

C. Within two (2) weeks after receiving a grievance from the Board, the President of the Association shall, upon request, confer with the Superintendent of Schools and shall deliver to the Superintendent of Schools a written statement of the position of the Association with respect to the grievance.

D. In the event the Association or the Board is not satisfied with the statement of the other with respect to the grievance, it may, within fifteen (15) days after receiving the statement, refer the grievance to arbitration by requesting that the American Arbitration Association propose the names of seven (7) arbitrators. A copy of such request shall be forwarded to the Superintendent of Schools or the President of the Association.

5.05 Arbitration

A. Upon receipt of the names of the proposed arbitrators, a designee of the Superintendent and of the Association shall strike names from the list until one ultimately is designated as the arbitrator.

B. The arbitrator's decision will be in writing and will set forth his/her findings, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of the Agreement. The arbitrator shall have no power to alter, add to or detract from the provisions of the Agreement. However, his/her decision with respect to this Agreement will be binding on all parties.

C. The cost for the services of the arbitrator will be borne equally by the Board and the Association.

D. The election to submit a grievance to arbitration shall automatically be a waiver of all other remedies or forums which otherwise could be available, to the extent permitted by law.

ARTICLE VI - DURATION

This Agreement shall be effective from July 1, 2024, to and including June 30, 2028.

SCHEDULE E: Supervision and Evaluation

Supervision and evaluation of the professional staff is a critical function that is primarily concerned with the improvement of professional practice for the benefit of students. It is the responsibility of the staff member to continue to grow as a professional and it is the responsibility of the administrator to assist the professional staff in the improvement of their practices. Regular visits to classrooms (or other professional settings) by administrators is an essential component of the supervisory process. To this end, administrators will be in classrooms on a regular basis.

I. SUPERVISION OF TENURED STAFF

The supervisory process for tenured staff members will consist of an alternating year program. Tenured staff members will alternate each year between a Performance Based Supervision Program and a Conference Based Supervision Program.

The teacher will submit the agreed upon plan, in writing, to the administrator by not later than November 15th. The written plan submitted by the teacher will include, but not be limited to, the teacher's goals for the year, an approximate schedule of checkpoint

meetings, and a method for the assessment of the degree to which the goals have been met.

The Performance Based Supervision Program will consist of formal observations, conferences and written feedback.

When an administrator determines that a staff member's performance is in need of support, the administrator will notify the teacher, in writing, by June 1st and will provide the specific reasons for this determination. This notification will be part of the teacher's end-of-the-year evaluation.

In the ensuing academic year, the following steps will be implemented:

1. The administrator will meet with the teacher prior to October 15th to develop the Support Plan.
2. The administrator will provide the teacher, in writing, with suggestions and recommendations which address the specific reasons for the determination and which will enable the teacher to bring about a change in performance.
3. The Support Plan may include, but not be limited to, announced and unannounced observations and ongoing conferences which will provide an opportunity to review the recommendations for improvement and the teacher's progress.

The professional review process panel shall consist of the president of the MBA and the Superintendent of Schools or their respective designees. Should the Superintendent not participate personally on the panel, the panel will make a recommendation to the Superintendent. The decision of the Superintendent shall be final and binding and not subject to the grievance and arbitration process of the collective bargaining agreement.

II. ANNUAL EVALUATION OF TENURED STAFF

Tenured teachers will receive an annual, written end-of-the-year evaluation.

The teacher may file a written response to his/her annual evaluation

III. SELF EVALUATION (For Tenured Teachers Only)

In the Performance Based Year, a teacher may wish to pursue a plan for self-evaluation. Teachers who wish to pursue this alternative must notify the appropriate administrator by June 1st of the current academic year. The administrator will notify the teacher whether they have been approved for a self-evaluation program. by the end of the academic year.

Procedure for Self-Evaluation

3. Within one month of the initial meeting, the teacher will submit a written plan for self-evaluation. This plan will state the teacher's goals, identify the means by which the goals will be realized, and identify the criteria by which the teacher will assess his/her performance.

4. A mid-year meeting between the teacher and administrator will occur prior to February 15th. This meeting will serve to provide the teacher with the opportunity to update the administrator on his/her work and to make any request for additional assistance, etc.

5. By not later than May 15th, the teacher will submit a written self-evaluation report. The self-evaluation report will be descriptive and will contain a qualitative and quantitative assessment of the realization of his/her goals. The administrator will be available for consultation or advice with respect to the self-evaluation report. The self-evaluation report will be type written solely by the teacher.
