

STUDENTS

Policy 2540

Student Academic Achievement

Early Graduation

Graduation will be allowed any time after eight (8) semesters of attendance beginning with grade nine (9) and attainment of all requirements as set by the state and local School Board. Early graduation should be part of a cooperative plan arrived at by students, their parent/guardian, and the school.

The above requirements may be modified in exceptional cases with approval of the Board of Education, upon recommendation of the Superintendent.
