**\*\*Spring SAT/ACT registration dates will be published once they are released\*\***

- College Board (SAT/AP) & ACT accommodations must be processed through College Board or ACT and require up to eight (8) weeks to process. Accommodations not processed by the due dates can not be guaranteed.
- All registrations will be posted in Google classroom, the Community Newsletter and Social Media
  - Scholars are responsible for completing their registrations, attending any readiness sessions, and knowing the time/locations and date of their testing sessions.
- There is always the possibility that dates could change, in the event of a change this document will be updated and reposted.
- Some test locations are not determined at this time as the location will be based on the number of scholars signed up
- ASVAB assessments are only open to the first 40 scholars to register
- No late registrations will be accepted, no exceptions
- Virtual scholars/Dual Enrollment/ACE/Late Arrival all follow the same EOC/Final schedule and will need to schedule with the testing coordinator prior to testing sessions
