

Memorandum of
Understanding Between
the Aberdeen School District
And
the Aberdeen Education Association

The Aberdeen School District and the Aberdeen Education Association agree to enter into this Memorandum of Understanding for Miller Jr. High School to start lunch at 10:44 am for the 2025-2026 school year. This is an adjustment to the language in Article XII Section 7.4.9.

This adjustment allows Miller Jr. High to create a bell schedule to avoid split lunches and allow implementation of Flex/Advisory time.

This Memorandum of Understanding will not be precedent setting and will sunset at the end of the 2025-26 school year.
