

# Qustodio App for Families

The Qustodio app empowers parents and guardians with visibility and safeguarding control to see their child's activity and pause the internet on their school Chromebook.

## Ongoing visibility

Develop increased understanding of your child's digital habits, and promote accountability through real-time insights from the school dashboard.

## Pause button

Switch off online activity on your child's Chromebook after school hours to restore digital balance and make time for screen-free family moments.

Qustodio is COPPA compliant and does not share personal data with third parties

## How to get started

1. Scan the QR code or visit [qustodio.com/my-school](https://qustodio.com/my-school)
2. Create your account using the email address your school has on file
3. Connect with your child's school account
