Mental Health Providers on Campus

Dr. Marquita Hill-George provides short-term counseling services to students. She offers individual and group counseling covering topics such as anxiety, depression, study skills, coping skills, grief and loss, and transitional adjustments.

Ms. Amber Guidry is an LPC with Access Health Louisiana. She is able to provide short or long-term counseling services to students. Families must fill out an application. If you have insurance please include that information. We will bill your insurance but will NOT collect a copay and will continue to see your child beyond the number of appointments permitted, as needed.

Not all of the TU curriculum requirements have been met.

19 categories are required for TU

5 categories still needed to meet requirements for TU

TU Core GPA = Relative Grade Points / Credit Units Allowed = 50.50 / 15.50 = 3.25

Grade Point Average (GPA)

- “The final TOPS Core GPA is calculated by the Louisiana Department of Education using data from your final transcript transmitted through the Student Transcript System (STS) by each Local Education Authority (LEA) (for public high schools). The calculation of the TOPS Core Curriculum grade point average (GPA) will be calculated on a 4.00 scale using the grades for the courses that were used to satisfy one of the TOPS Core Curriculum, except for certain courses that will use a five (5.00) point scale. The courses currently designated to be calculated on the 5.00 point scale can be viewed at https://www.osfa.la.gov/5scale”

- HHS Cumulative Weighted GPA is on a 5.0 scale for core and elective courses to determine awards,valedictorian, salutatorian. This GPA may be used for college applications; however, please note universities can determine a student GPA based on what criteria they wish.

- Louisiana Dept. of Education (state transcript) uses the 4.0 and 5.0 scale for core and elective courses.

Advanced Placement & Dual Enrollment

Advanced Placement

- AP credit is honored nationally/globally
- AP courses are taught by HHS faculty w/ AP approved curriculum
- The AP test are given in May and college course credit is awarded based on the guidelines set by that university

Dual Enrollment

(HHS or Distance Learning)

- DE credit is recognized by LA public universities and some private or out of state universities
- HHS DE courses are taught by HHS faculty in conjunction with the university faculty
- DE credit is awarded to 11th and 12th grade students who meet the initial ACT requirement and pass the required in-course tests
- College credit on the college transcript

Review the College Board credit policy or contact each individual college to inquire about transfer credits.

ACT

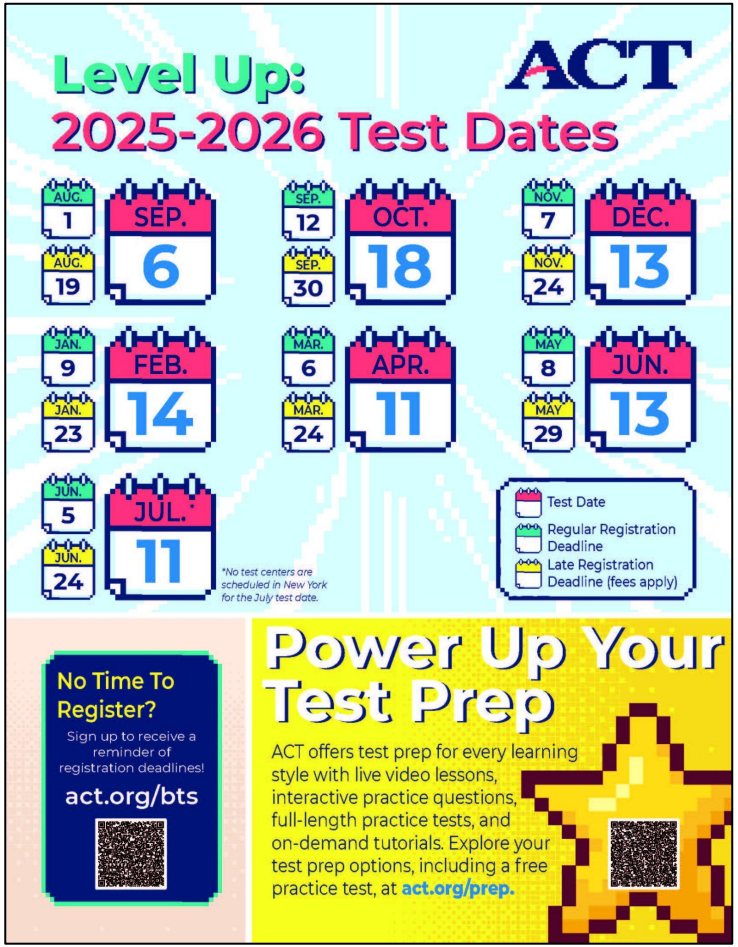

To apply for the ACT fee waiver program, you must meet the following eligibility requirements:

Be currently enrolled in high school in the 11th or 12th grade.

Be testing in the United States, US territories, or Puerto Rico.

Meet one or more of the indicators of economic need listed below:

- Enrolled in a federal free or reduced-price lunch program at school, based on US Department of Agriculture (USDA) income levels.
- Enrolled in a program for the economically disadvantaged (for example, a federally funded program such as GEAR UP or Upward Bound). *Note: If the student participates in a program, but is not economically disadvantaged, they are not eligible for a fee waiver.*
- Resides in a foster home, is a ward of the state, or is homeless.
- Family receives low-income public assistance or lives in federally subsidized public housing.
- Family's total annual income is at or below USDA levels for free or reduced-price lunches on the USDA Food and Nutrition Service website.

What is ACT WorkKeys?

- ACT WorkKeys is a set of assessments (3-55 minute/34 question test) that measure workplace skills that can affect your job performance.
- High scores on the ACT WorkKeys assessments can increase your opportunities for career changes and advancement. The assessments measure your hard skills and soft skills that can be relevant to any occupation, and are valued and sought after by employers across jobs and industries.
- ACT WorkKeys scores can be used to meet TOPS Tech requirements.

WHAT IS THE STUDENT HUB?

The Student Hub is an online system for students to track their TOPS status in high school and throughout their college careers.

High school students whose schools report their grades in the Student Transcript System (STS) can use the Student Hub to track their progress towards completing the TOPS core curriculum, view their TOPS Core GPA, and view the highest ACT scores LOSFA has on file.* Parental consent must be granted in STS to allow LOSFA to access high school transcript records.

After high school graduation, students can track their award letter, Rights and Responsibilities, and all notices sent by LOSFA via their Student Hub account.
Once in college, all information relating to TOPS continuing eligibility and TOPS postsecondary GPA will be delivered via the Student Hub account.

*9th-grade students cannot set up a Student Hub account until their school reports grades via STS midyear or at the end of the school year.

HOW DO I LOG INTO THE STUDENT HUB?

To log into the Student Hub, go to **mylosfa.la.gov** and click on **"Student Hub"** at the **top of the homepage**.

In order to set up an account, you will need to use your assigned **LOSFA ID** or **LASecureID.**

Scan Here to Register for a Student Hub Account

Once logged into your account, you will be able to check your TOPS status, ACT score, notifications, etc.

While logged into your account, you will also have the ability to choose to grant your parent(s) permission to access your information.

WHEN WILL I KNOW IF I HAVE TOPS?

TOPS processing for eligibility begins in June each year. You will be notified of eligibility by email. You can also monitor your TOPS eligibility status in your Student Hub account.

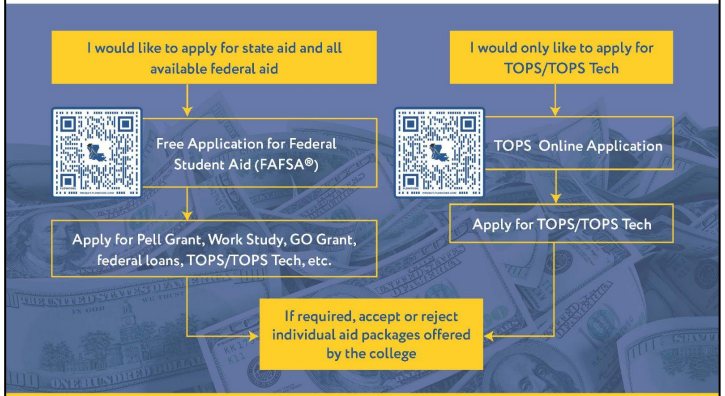

Scan Here to Access the Guide on Troubleshooting Student Hub Error Messages

APPLYING FOR TOPS

Students can submit a FAFSA® to be considered for all federal and some state financial aid. Students only interested in TOPS/TOPS Tech awards can apply using the TOPS Online Application.

NAVIGATING YOUR OPTIONS

EITHER of these options will allow you to apply for TOPS. Carefully consider your financial needs when navigating your options to apply for state and federal financial aid.

IMPORTANT NOTE!

Students must be enrolled full-time at an eligible institution to receive their TOPS Award; however, some institutions may require students to take additional steps to accept their financial aid package. Follow the directions included with your financial aid offer and contact the financial aid office at your institution if you have any questions.

Notes: (1) Includes all campuses within the designated colleges. Revised 8-13-2025

(2) Schools/Programs that are specifically designed to accommodate deaf and hard-of-hearing students. Includes both Academic and Technical Programs.

(3) The total annual award amount does not include payments for summer sessions for TOPS Tech awardees or for OPHE awardees who elect to have their award paid for qualified summer sessions. The award amount for summer will be a pro-rata amount based upon the number of hours enrolled, and it may not exceed the total tuition charged by the institution attended for the summer session. Payment of an OPHE award during the summer will reduce the student's remaining semesters/terms eligible for payment by one full semester/term.

(4) The TOPS Award Payment for TOPS eligible students enrolled in a graduate/professional program shall not exceed the amounts determined by the administering agency to equal the tuition charged for the postgraduate study or for undergraduate full-time enrollment charged by the highest cost public college/university in the state, whichever amount is less.

(5) Actual amounts payable subject to appropriation and funding.

(6) A student's award payment may be less than that listed on this chart if the student is enrolled in less than 12 hours, but is considered to be full-time for their program of study.

Programs at Approved Proprietary and Cosmetology Schools							
Proprietary and Cosmetology Schools****		$2,380.00	See Above	$2,380.00	$793.33	$793.33	$793.34

Notes: (1) Includes all campuses within the designated colleges.

(2) The total annual award amount does not include payments for summer sessions for TOPS Tech awardees who elect to have their award paid for qualified summer sessions. The award amount for summer will be a pro-rata amount based upon the number of hours enrolled, and it may not exceed the total tuition charged by the institution attended for the summer session.

(3) Actual amounts payable subject to appropriation and funding.

Revised 8-13-2025

(4) A student's award payment may be less than that listed on this chart if the student is enrolled in less than 12 hours, but is considered to be full-time for their program of study.

Other School/Programs of Study May Become Eligible: **Includes program changes approved by the Board of Regents and the Workforce Investment Council on April 2025. To check your School, e-mail asutsorv@la.gov.

***In the event the programs listed for other LCTCS schools become available at BRCC, they are approved for TOPS Tech.

****The TOPS Award Amount for TOPS Tech eligible students who enroll in a proprietary or cosmetology school or in an associate's degree program at a school that offers a baccalaureate degree in that same program is an average of the amounts paid to TOPS Tech eligible students in all other TOPS Tech eligible programs.

*****Each universal transfer pathway (UTP) consists of 60 credit hours of coursework that can be seamlessly transferred and applied toward the requirements of a BA or BS degree at any public four-year institution in Louisiana that offers that degree. Each universal transfer pathway contains courses that satisfy the graduation requirements for an associate's degree. For information regarding four-year schools accepting UTPs refer to: https://www.laregents.edu/utp/

NOTE: Some approved academic programs overlap with approved UTPs, students should consult with the four-year institution regarding transferability.
