This form serves as a "Notice of Non-Compliance" pursuant to section 120.695, Florida Statutes. Items marked as "out" violate one or more of the requirements of Chapter 64E-11, the Florida Administrative Code or Chapter 381.0072, Florida Statutes. Violations must be corrected within the time period indicated above. Continued operation of this facility without making these corrections is a violation. Failure to correct violations in the time frame specified may result in enforcement action being initiated by the Department of Health.

Risk factors are important practices or procedures identified as the most prevalent contributing factors to foodborne illness or injury. Public health interventions are control measures to prevent foodborne illness or injury.

### GOOD RETAIL PRACTICES

Good Retail Practices are preventative measures to control the addition of pathogens, chemicals, and physical objects into foods.
