LCPA

Loomis Chaffee Parents Association

QUICK FACTS

The mission of the LCPA is to engage parents in the life of the school through activities, events and volunteer opportunities. LCPA activities support parents, students, and faculty & staff.

All parents are members of the LCPA by virtue of having a student(s) at the school. The LCPA invites parents to be connected and involved through many avenues:

Join the virtual LCPA meetings that are held once a term

- Hear from the head of school
- Learn from a faculty guest
- Hear about upcoming LCPA events
- Engage with fellow parents

Attend events for parents throughout the year

- Welcome receptions for new parents on Move in Day
- Family Weekend receptions and Give a Book to the Library program
- Book chats facilitated by faculty
- Holiday gathering and community engagement project
- Theater event in conjunction with the school musical

Sign up for the LC Parent Facebook private group for engagement, conversation and resources [on Facebook, search for "Loomis Chaffee Parents" and request to join]

Participate in activities that appreciate faculty & staff. The LCPA orchestrates appreciation gift distribution once a term. Meet and thank the teachers, coaches, and adults in your child's LC life.

Volunteer for activities for students sponsored by the LCPA

Winterfest: a week-long "boost-their-spirits" treat extravaganza in the dining hall, culminating in a semi-formal dance. Join in for the LCPA's biggest endeavor!

Read the weekly Parent eNews

Ensure you receive and read the Parent eNews that comes out every Thursday afternoon and keeps you aware of LCPA and school wide news and announcements.
