Welcome to the New School Year!

We are thrilled to greet you as we embark on another exciting school year! I believe this year will be outstanding for our students. With our dedicated staff and supportive community, we are eager to connect with our students and help them achieve their fullest potential.

This year, we have several new members joining the Burger staff. Please extend a warm welcome to the following professionals who are now part of our Burger family:

- Sarah Whittington - Spanish
- Jennie Peck - Science 7
- Mary Woodfield - AIS Math
- William Lombardi - Special Education
- Alexander Worley - Business
- Carol Davis- School Nurse
- Amanda Mikiciuk - Math 8/9
- Elizabeth Miller - Reading
- Shayne Sudo I- Physical Education
- Lindsey Rybicki - Orchestra
- Mark Broz - German
- Garret Smith - Speech Pathologist

After-School Activities

Our after-school programs are available from 2:35 to 3:30 PM on Mondays, Tuesdays, and Thursdays. Look for information about our diverse range of student clubs in early October. We also offer the Successful Student Workshop (SSW), which provides a quiet space for students to complete their work with support. Transportation is provided for all students participating in after-school activities, with the late bus departing Burger around 3:40 PM.

Stay Connected and Informed

We are committed to ensuring a successful year for both you and your child. Please feel free to reach out to your child's teachers at any time, with email serving as the most efficient means of communication. You can also contact me, Greg Lane, at glane@rhnet.org or call 359-5308 with any inquiries. We look forward to collaborating with you to help your child thrive.

New York State P-12 Science Learning Standards (NYSSLS)

This year, science instruction will align with the New York State P-12 Science Learning Standards (NYSSLS), which reflect a major shift in how students learn science. These standards emphasize hands-on investigation, problem-solving, and real-world application by engaging students in three integrated dimensions of learning: scientific practices, core disciplinary ideas, and crosscutting concepts.

Rather than memorizing facts, students will explore natural phenomena, ask questions, build models, and communicate evidence-based explanations. This approach better prepares learners for the demands of a dynamic world and future careers in science, technology, engineering, and mathematics (STEM).

We recognize that this shift represents a new and more rigorous way of learning science—one that may feel unfamiliar or challenging at times. Students will be asked to think deeply, engage in complex tasks, and explain their reasoning more than they may have in the past. Success will require a strong partnership between teachers, students, and families. With open communication and shared commitment, we can ensure that every student grows into a confident, capable science learner.

Get Ready to Shine with Voce Vita Auditions!

Calling all singers! Do you have what it takes to be part of our elite vocal ensemble, Voce Vita? Auditions are just around the corner from 2:30-3:30 PM on September 22 in the chorus room. There is only one day for auditions so be sure to email Mrs. Lamica and let her know that you are staying after school. Late buses will be available to provide transportation home at 3:30 PM following auditions.

What is Voce Vita?

Voce Vita, which means "Voice Life" in Italian, is a select group of talented vocalists who meet every Monday and Tuesday after school in the chorus room. If you're passionate about singing and ready for a challenge, we want to hear from you!

Returning Members: We've Got You Covered

If you were part of Voce Vita last year, you don't need to audition again. We can't wait to hear your voice soar once more!

Our first rehearsal will be from 2:30-3:30 PM Tuesday, September 23!! Late buses will be available to provide transportation home at 3:30 PM following practice.

Newcomers: Come Prepared to Wow Us

If you're new to Voce Vita, come ready to dazzle us with your karaoke version of an appropriate song. Show us your style and talent!

Questions? We're Here to Help

If you have any questions, don't hesitate to reach out to Mrs. Lamica at clamica@rhnet.org. I can't wait to hear you shine at auditions!
