

Solheim Cougar Pledge

We are Solheim Cougars

We pledge to treat everyone with respect by using appropriate words and actions.

We seek healthy friendships.

We recognize and celebrate differences to include all.

We are responsible students with good attendance.

We focus our attention, start tasks, and complete quality work.

We pause when our emotions feel too big to manage.

We commit to safety inside our building and at recess.

We show good sportsmanship when we win or lose.

Together we create a culture of kindness and act as one school family.

As Solheim Cougars, we commit to our pledge.
