

How do I navigate Fulton County Schools Board Policy?

Access Simbli through the Board tab on the Fulton County Schools homepage. Click Board, then Board Policies (simbli).

The screenshot displays the Fulton County Schools website. At the top left is the logo for Fulton County Schools with the tagline "Where Students Come First". To the right of the logo are four buttons: "REPORT SAFETY CONCERNS" (red), "START YOUR CAREER!" (yellow), "RESET PASSWORD" (white), and "I WANT TO..." (white with a dropdown arrow). A search icon is located to the right of these buttons. Below the header is a dark green navigation bar with the following tabs: "Our District", "Students & Families", "Community", "Departments", "Board", "News", "Calendar", and "Contact FCS". The "Board" tab is highlighted with an orange box. Below the navigation bar, the "FCS Board of Education" section is visible on the left, featuring a photo of the board members and a "MEET OUR BOARD MEMBERS" button. On the right, a list of links is displayed under the "Board" tab, with "Board Policies (simbli)" highlighted by an orange box and an arrow pointing to it from the "Board" tab. The other links in the list are "Board Members", "Board Meetings", "Board Resources", "Board Services", "Community Meetings", "Legislative & Policy Priorities", "Balanced Scorecard", and "Report Fraud, Waste & Abuse".

Board Policy Manual

Board Policy IC: Curriculum Development **Status: ADOPTED**

Original Adopted Date: 06/13/2012 | Last Revised Date: 04/22/2021 | Last Reviewed Date: 04/22/2021

The Board defines curriculum as all content resources, instructional frameworks, courses, and assessments used district wide to deliver and measure standard mastery.

Curriculum Development

The Board recognizes the authority of the State of Georgia to develop grade level and subject area standards, which constitute the minimum standards for the district. The Superintendent shall provide a recommendation to the Board of research-based curriculum options that support student mastery of established standards. This recommendation will include, at a minimum, curriculum for English Language Arts, Mathematics, Social Studies, and Science. The Board must approve the adopted curriculum for the district and all new course adoptions prior to their implementation. All schools will implement the adopted district curriculum with fidelity. Schools are empowered to request additional curriculum options through the Value-Added Flexibility process. Value-Added Flexibilities related to curriculum should not replace adopted district curriculum.

Curriculum Delivery

The Superintendent is responsible for the delivery of the adopted curriculum. To ensure delivery, the Superintendent will work with the Board to determine what curriculum tools and resources will be used to ensure student mastery. All schools are expected to deliver, at a minimum, the state standards and the curriculum as prescribed by the Board. All efforts should be made to ensure that all students are provided equal access to the curriculum to support their individual growth and performance. The Superintendent will ensure that high quality professional development is delivered to staff on a continuing basis.

Curriculum Evaluation

The Superintendent will conduct regular evaluation of the implementation and quality of the district curriculum, including the resources and tools used for curriculum delivery. The evaluation of curriculum will align with program evaluation requirements outlined in Policy IJ: Program Evaluation. The Superintendent will provide evaluation reports to the Board annually. The evaluation of curriculum will include a measure of student performance and growth on local, state, and national assessments.

The Superintendent shall develop operating guidelines necessary to implement this policy.

Policy Reference Disclaimer: These references are not intended to be part of the policy itself, nor do they indicate the basis or authority for the board to enact this policy. Instead, they are provided as additional resources for those interested in the subject matter of the policy.

In addition to FCS policy that is voted on and approved by the FCS Board, Simbli also houses Regulations and Exhibits which are related to policies but presented to the Board as information, not for a vote.

This column indicates if a code/title refers to a policy (P), regulation (R), or Exhibit (E).

Regulations typically provide more information regarding how a policy will be carried out by FCS. They are also indicated as regulations in the code as they will be designed by a –R() following the appropriate alphabetic code.

Version: 26.3.0.4

To search for keywords or topics, Simbli has Search function to help locate relevant policy. regulations, or exhibits.

The search function allows you to search by keyword across policy, regulations, and exhibits as well as within documents uploaded in conjunction with Board meetings.

A screenshot of the Simbli search interface. At the top is a 'Search' title and a 'What's New?' link with a 'Close' button. Below is a search input field containing the word 'integrity'. Underneath the input field are three radio buttons: 'Exact phrase' (selected), 'All of these words', and 'Any of these words'. Below these are two radio buttons for narrowing the search: 'Search this site' (selected) and 'Search this site and other sites'. A section titled 'Select a module*' contains three toggle switches: 'Meetings' (off), 'Policies' (on), and 'GaDOE Resources' (off). To the right of the 'Policies' toggle are two dropdown menus: 'All Policy Types select...' and 'Section All sections selected (13)'. An orange arrow points from the 'Q SEARCH' button in the header to the search input field.

Search results are presented in alphabetical order by code. Any instance of the search term/keyword in title or the body of a document is highlighted.
