Dear Parent/Guardian,

Do you have a child who loves to sing? We are looking for energetic singers in grades K-12 to sing with us this year!!!!

The BNYC strives to create an atmosphere where students are inspired to follow their musical passions while creating life-long connections and memories with other young people. We aim to support those passions through fun and exciting activities that stretch them musically all while encouraging the development of healthy vocal technique and choral singing.

Open rehearsals will be held throughout the month of September. *If your child would like to come try us out before making a commitment, feel free to pop into one of our open rehearsals. No registration needed. Just contact the Artistic Director at **bnyouthchorus@gmail.com** to let us know you'll be stopping by.*
