Cub Scouts is a family-oriented program designed for boys and girls in kindergarten through fifth grade. It emphasizes outdoor activities, character and leadership development, and community service.

Cub Scouting is divided into grade-specific ranks: Lion, Tiger, Wolf, Bear, Webelos, and Arrow of Light. Each rank provides hands-on activities that teach life skills, ethics, teamwork, and respect for nature that ultimately help kids thrive!

Through structured activities, including hikes, camping, and service projects, Cub Scouting encourages youth to grow in confidence, responsibility, and leadership, all while having FUN in a safe and supportive environment.
