

# PARTNER CONNECT

## BE OUR PARTNER AND CONNECT

Partner Connect allows students to go beyond the classroom and into the community where time, talent, and resources provide enhanced learning. This partnership program seeks to create a collaborative framework that not only fosters growth but also strengthens the bond between schools and the broader community. Our partners are individuals, businesses, post-secondary institutions, community organizations, professional associations, faith communities, government agencies, and other groups who are interested in partnering with our school system. By becoming involved, you are taking an active role in educating our students and ensuring a brighter economic future for Forsyth County. **If you are interested in getting involved, scan the QR code or visit**
