

Collaborate. Educate. Prevent.

Your Partner In Prevention

Your Community Coalition – Connecting Schools, Families & Resources

We're your local prevention coalition, here to help you integrate prevention into classrooms, programs, and school culture. We connect you to toolkits, presentations, trainings, and local resources to support your students, families, and staff.

We Offer:

Curriculum Support – vaping prevention, stress management, resilience lessons

School Climate Supports – calming corners, stay-present packs, student recognition programs

Professional Development – suicide prevention, trauma-informed schools, overdose response

Family Engagement – parent presentations on prevention, online safety, youth mental health

Connections & Referrals – direct links to local mental health & community services

Support for Student Groups & Clubs – help integrating prevention into activities and projects

Past Successes Together:

Created Calming Corners/Zen Dens in school buildings

Supported district-wide vaping prevention curriculum

Provided lessons & materials on stress management & resilience

Hosted student-led events – Mental Health Awareness Fair,
Get Outside & Play Day

Organized Red Ribbon Week activities at GMS

Brought in Ryan's Story assembly for kindness & empathy

Delivered parent prevention workshops

Helped recognize Students of Character monthly

Partnered with Student Leadership Council – so active we
had a waiting list

Why Partner with PRIDE?

- ✓ Free, ready-to-use prevention tools & resources
- ✓ Access to local experts & referral networks
- ✓ Funding & materials for initiatives outside school budgets
- ✓ Sustainable, easy-to-integrate prevention strategies
- ✓ Support for student groups/clubs that want to lead prevention efforts
